Council Approves Detailed Survey On Sewerage System For Village

Boiler In The Community Hall To Be Replaced — To Adopt Daylight Saving

A survey by a competent engineer on the installation of a sewerage system in this village was unanimously approved by members of Council at the regular monthly meeting held in the Council Chambers on Monday night.

Following a lengthy discussion on the matter it was moved, seconded and agreed "That Council co-operate with the Chamber of Commerce to have a survey made of the Village of Stirling for the purpose of installing sewerage, and that the Reeve and Treasurer be authorized to borrow such monies as may be required to pay same, such borrowing with interest thereon to be included in debentures if such are issued for sewerage purposes."

This action by Council was taken subsequent to a report from a delegation from the Chamber of Commerce, Messrs. E. D. Ketcheson, R. D. Patterson, J. V. Holt and Don Rodgers, on the results of a questionnaire sponsored by the Chamber to obtain a cross-section of public opinion on the problem. (A detailed report on results of the questionnaire will be found in another column.)

Street Subsidy

Clerk Mallory stated notice had been received that Stirling's share in the debentures carried by the County of Hastings for the Centre Hastings High School Area would be \$145,57, while the subsidy received on expenditures on Village Streets during last year was \$3,882.62.

Daylight Saving

The matter of Daylight Saving was discussed and on motion of Wells and Bradshaw it was decided to adopt daylight saving in conformity with neighbouring towns.

Reeve West reported a bad break in the sidewalk on North St. and the matter was referred to the Streets Committee.

To Replace Boiler

Councillor C. A. Wells, Chairman of the Property Committee, reported the boiler in the Community Hall in need of replacement, and tenders will be called for a Taylor-Forbes boiler and installation.

An extension of the Collector's roll for one month was granted.

Repairs to the old cemetery mower was left in the hands of Councillor K. Ray.

Reeve West reported the uniform for the night watchman had arrived and Council agreed that Don Tucker would commence his duties.

The following accounts were presented for payment:

Stirling Machine Shop, \$5.50; Chas. F. Davidson, \$22.75; Harry Jones, \$48.45; County of Hastings, \$36.00; Thos. Spy, \$27.00; Stirling Machine Shop, \$1.50; J. Clinton McGee, \$25.00; J. W. Hamilton, \$2.25; F. R. Armstrong & Son, \$28.50; F. R. Mallory, \$1.80; Stirling Public Utilities Com., \$294.10; Municipal World, \$10.41; Green's Garage, \$4.25; Bell Telephone, \$8.20.

Budget Highlights

Some of the highlights of Finance Minister Harris' Budget speech on Tuesday night are as follows:

Personal income tax reduced by average 10 per cent, effective July 1st.

Half of personal income tax applies on 1955 income; full in 1956.

Special 15 per cent excise tax on new automobiles reduced to 10 per cent, effective immediately.

Special 10 per cent excise tax on tires and tubes repealed immediately.

Current taxes on liquor, beer, wines, cigarettes, tobacco, soft drinks and candles unchanged.

No change in current 10 per cent sales tax and 15 per cent excise tax on television and radio sets.

No change in old age security tax — 2 per cent sales tax, corporation tax and income tax.

Thieves Active In Village

Sneak thieves were active in the village on Friday night last, when they burglarized the local pool room and Stirling Machine Shop, operated by Councillor Ken Ray.

In the former a sum of money and a quantity of cigarettes and nut bars were taken. Entrance was gained through a small opening in the rear window. At the Machine Shop very little was taken.

Accepts Position On Trenton Staff

C. A. Wells, teacher of shop work at the Stirling High School, has accepted a position on the staff of the Trenton Collegiate, and will assume his new duties in September next. Mr. Wells was Principal of the local Public School for fifteen years and for the past five years has been on the High School staff.

St. John's News

At the 10.00 o'clock session of the Church School at St. John's Anglican Church last Sunday the Blessing and procession of the Palms took place. The Rector spoke to the pupils of the symbolism of the palms. The shade of the palm tree symbolizes the protection and love of Christ. The date is used for food, and the sap from the tree, is made into a kind of wine, thus symbolizing the Holy Communion. The palm was once given to the victor in the games, or a victorious General, thus it reminds us of the Kingship and victory of Christ.

Each pupil received a cross made of palm, blessed by the Rector, as they proceeded up the center aisle of the church.

At the celebration of the Holy Eucharist at 11.00 a.m. at which there were 85 Communicants, more palms were given out. Mrs. B. Woodbeck sang "The Holy City," accompanied by Miss Ruth Mumby at the organ. The Rector spoke on the subject, "Waving Faith and Wavering Fickleness."

Honoured On 75th Anniversary

A most enjoyable social evening was spent at the home of Mr. and Mrs. Ray Sine on Saturday evening, April 2nd, when the family and friends of Mr. David Cotten gathered to wish him a happy birthday on his 75th anniversary. Relatives and friends were present from Arnprior, Madoc, Eldorado, Deloro, Harold, Trenton, Belleville and Stirling.

After listening to some music and a few dances, the following address was read by Ross Cotten:

Dear Dad:

We, your family and a few chosen friends have gathered here this evening to express our love and good wishes to you on the gala occasion of your birthday.

You have been a good father to all of us. Although we have not shown our appreciation of you the way we should have, nevertheless we do care a lot and love you dearly. We ask you to accept this small gift to show our appreciation and love for you and sincerely hope you will be with us for many more birthdays to come. —Signed on behalf of your family.

Mr. Cotten made a few remarks and was very much surprised and thanked them for their kindness and presents, after which they all sang "For he's a jolly good fellow."

Dancing was resumed until midnight, after which Mrs. Sine served a lovely lunch, which included a birthday cake.

All went home expressing the thought that one and all had a jolly good time and wishing Mr. Cotten many more birthday anniversaries.

Large Congregation Palm Sunday At St. Andrew's

A large congregation gathered in St. Andrew's Presbyterian Church last Sunday morning for the Palm Sunday Communion Service. The choir rendered an anthem entitled, "Saviour Keep Me Near To Thee," with Mrs. Roy Eggleton taking the solo part and Mrs. R. H. Williams at the organ.

Seven new members were received into the fellowship of the Church, Mr. and Mrs. Silas Boyce, Mr. and Mrs. Reginald McGehee, by transfer of their certificates, and Miss Jean McGee, Delbert McGee and Eugene Burrell by Profession of their faith.

Rev. W. H. V. Walker took as his subject, "Broken Things," the Broken Net, The Broken Box (Alabaster), and The Broken Body of the Master. He emphasized that for every blessing there must be something broken as in everything in life — the bird breaks the egg shell before flying; The morning breaks the dawn, The caterpillar breaks the cocoon before the butterfly emerges, etc.

Mrs. Harold Wells Hostess To Monthly Meeting I.O.D.E. Chapter

Mrs. Earl Luery Gave Inter- esting Paper On Easter Conveners Appointed

The monthly meeting of the Hon. J. R. Cooke Chapter, I.O.D.E., was held at the home of Mrs. Harold Wells on Thursday with 33 members present. The Regent, Mrs. Carl Potter, presided, the flag was brought forward by the Standard Bearer, Mrs. Grant Stapely, and the meeting was declared open for business.

The minutes of the last meeting were read by Mrs. M. Bell, followed by the Treasurer's report presented by Miss Rosa Spy.

Mrs. D. McIntosh, Educational Secretary, gave report on the Order's adopted school and initial plans were made to send subscriptions to two magazines to this school and to also give books, "Famous Canadian Stories," to honour students in the Entrance Class of Stirling Public School.

Mrs. David Duffin kindly offered her home for an afternoon tea on May 27th.

The Vice-Regent, Mrs. H. Wood, was appointed delegate to the Provincial annual to be held in Hamilton on April 20th, 21st and 22nd.

1955 Conveners

The Regent presented the conveners for the year 1955:

Former Teacher Here Honoured

Twenty-five years of conscientious service in Nepean High School, Ottawa, was recognized recently when Miss Violet Moyer was presented with a silver salver dish by the Collegiate Board. W. Edward Haughton, Q.C., Chairman of the Board, praised Miss Moyer for her "remarkable scholarship" and made the presentation.

Miss Moyer, a teacher at Nepean High School since 1930 and head of the English department there, was a member of the Stirling High School staff for a number of years in the twenties.

Air Views Given Council

At the regular meeting of Council on Monday night, James V. Holt presented the Village fathers with two framed air views of the village. R. K. West thanked Mr. Holt for his generous gift and the pictures will grace the walls of the Council Chamber.

Oddfellows To Erect New Hall

A building permit has been granted Stirling Lodge, No. 233, I.O.O.F., for the erection of a new hall on the south side of Charlotte Street on part of Lot No. 24. The new building will be 70 x 40, two storeys, and of cement block and steel construction. Roy Eggleton, of town, is the contractor.

Local and Personal

The Rev. and Mrs. W. J. Robinson, of Belleville; the Rev. J. Cantrell, and Mrs. Drury, were recent guests at the Rectory.

Mrs. W. H. V. Walker and Miss Gena Spy are attending the W.M.S. Synodical meeting held this week in Central Presbyterian Church, Galt.

Mr. Thos. Spy is visiting his daughter, Mrs. C. W. Duff, Mr. Duff and family, this week in Alliston.

Lt. Col. R. A. Rodgers, of Shilo, Man., was a guest over the weekend of his father and his aunt, Mrs. A. Gordonier, Mill St.

Mrs. R. B. Duffin and Mrs. F. McKee returned home on Thursday last, after spending several weeks in Florida.

Mr. and Mrs. Wm. Webber returned home last week after enjoying a holiday in Florida.

Mr. and Mrs. Wesley Moore, of Arnprior, were weekend guests of Mr. and Mrs. Ray Sine.

Mr. and Mrs. John Loucks, of Belleville, were guests on Sunday of the latter's grandparents, Mr. and Mrs. Arthur Hulin.

Friends of Mrs. Clifford Lansing, who suffered a broken shoulder and multiple bruises in an accident at her home some time ago, will be pleased to learn she is progressing favourably.

Thieves Net \$3,000 From Store Safe

Thieves pried the door off a safe in Kincaid's grocery store, Madoc, Sunday and made off with \$3,000 week-end receipts, police said.

Jean Berry, a former employee, noticed the door of the store open Sunday and told police.

St. Paul's Notes

(By Rev. A. Packman)

The rendering of Stainer's "Crucifixion" by St. Paul's Choir on Sunday night last, bore striking testimony to the many hours of hard work spent in preparation. The choir is to be congratulated for their effort.

Mrs. Bruce Glendinning with Mrs. Calvert, are deserving of special thanks for lead and organ co-operation. It was a delightful performance. Solo parts were well taken by Messrs. Grant Richardson, Bryce Philp, Jack Bush and Harry Brown, Mrs. George Heasman, Joanne Heasman, Marlene Carlisle, Wendy Warren and Mrs. Wm. Wilkins. The duet was sung by Laura Jeffrey and Donna Carlisle.

The 4th sermon in "Stories of the Road" on Sunday last was the "Via Dolorosa," one of the most interesting streets in Old Jerusalem and the one Jesus trod to the Cross. It should remind us that the price of a better world is sacrifice.

Luther must risk the fires of Rome. Bunyan must languish in his prison. The battle-fields of the world must be drenched with the blood of our noblest slain; there is no easy way.

On Friday, April 8th, at 10:30 a.m., there will be Confirmations at St. Paul's; the reception of new members and transfers from other churches — in all 14. The choir will render parts of Stainer's "Crucifixion."

Survey Proves Quite Successful

One Hundred and Eighty-Seven Replies To Questionnaires Sent Out By C. of C.

A good response was given the questionnaires distributed by the local Chamber of Commerce to obtain a cross-section of public opinion on the sewerage problem which faces this village.

According to R. D. Patterson, Secretary of the Chamber, 257 questionnaires were distributed and 187 were returned, or 72.72 per cent of the total.

Following is a summary of the questions and the answers given:

1. A preliminary survey by consulting engineers indicated a total expenditure of \$182,000.00 for the installation of a system to serve almost the entire village. On the basis of what you have heard and read would you vote yes or no if a vote were to be taken tomorrow? Yes, 116 (62.3%); No, 56 (29.4%); No Opinion, 15 (8.0%).

2. Would you favor installation of sewerage system to service only the downtown area of Stirling? Namely from the top of the Front St. hill to the Presbyterian Church with plans to enlarge at a future date? Yes, 16 (8.55%); No, 158 (84.49%); No Opinion, 13 (6.96%).

3. The Chamber of Commerce is most willing to arrange further meetings and discussions regarding the matter of sewerage. Would you attend any future meetings? Yes, 135 (72.70%); No, 32 (17.11%); No Opinion, 20 (10.69%).

4. If a sewer line were laid in front of your house would you connect to it? Yes, 127 (67.92%); No, 44 (23.52%); No Opinion, 16 (8.56%).

5. The approximate cost of a complete detailed survey is \$5,000.00. Do you favour the expenditure of this money in order that a complete survey can be made and plans drawn? Yes, 121 (67.91%); No, 46 (23.51%); No Opinion, 20 (8.0%).

6. Would you favour the Chamber making a formal request to the Municipal Council of the Village of Stirling requesting that a complete survey be made in order that accurate figures and data may be presented to the taxpayers on this important subject. Yes, 128 (68.44%); No, 40 (21.39%); No Opinion, 19 (10.16%).

R.V.W.I. Euchre

River Valley W.I. held their closing night at the school house Friday evening and visitors were in attendance from Murray and Sidney Townships, Frankford and Stirling. There were thirteen tables in play and the prizes were donated by Mr. and Mrs. C. W. Moore. The awards for first and second were as follows:

Ladies', Mrs. J. R. Donohoe and Mrs. Ina Free; Gent's, Percy MacMillen and Dennis Heasman.

The President expressed thanks to all, refreshments were served which included berry tarts with whipped cream.

Mrs. A. E. Caskey voiced thanks to River Valley Women's Institute on behalf of all the visitors who had attended the series of social evenings. It is hoped to resume the parties next November.

OF MANY THINGS

(By Ambrose Hills)

It Pays To Advertise

The other day I had lunch with the general manager of one of Canada's largest advertising agencies. He told me an amusing thing about how his company got its start.

"Our agency was started by two young livewires who really believed in advertising themselves. They had one good account, but they wanted a great deal more. They took a look at what their competitors were doing — and suddenly they got a bright idea!

"They noticed one thing about the old established agencies. Many of them were so smug that they, themselves, were not bothering to advertise. So our two bright young men got busy. They drafted several advertisements about their own advertising agency. In this way, they proved that they really believed in advertising themselves — and they showed themselves to be bright and alert."

That agency, by the way, still advertises regularly. It grew to be one of the biggest agencies on the continent, and will probably continue to hold its envied position. The President of the company says that he does not regret a single nickel that they have spent to advertise themselves.

In fact, they consider the money put into advertising as a capital expenditure, and they show it that way on their books. If the agency is ever sold, the buyer will pay the full price of every ad. ever purchased.

I have often noticed that by reading the advertisements in a weekly paper, I can pretty well tell you which merchants are successful. Almost without exception, the successful merchant appears, in his home paper, week after week, without letup. He knows that the money he spends on advertising adds to the value of his business if he ever desires to sell it. He knows that even when times are bad, the store that has the goodwill of the neighbourhood will somehow weather the storm. He understands that each succeeding advertisement adds to the value of the one that preceded it. For the value of advertising accumulates at compound interest over the years.

There is an old saying that goes, "If your business isn't worth advertising — advertise it for sale!" I firmly believe that is the truth.

More Canadians now earn their living in manufacturing than in any other industry.

Hastings County Farm Forum Rally

The Hastings County Farm Forum rally was held at the River Valley School House on Tuesday evening, March 29th, with representatives from Brookdale, Foxboro, Melrose, Hazards and River Valley Farm Forums in attendance. Mr. B. Hollinger, of Foxboro, was chairman, and Miss Moorecroft, of Hazards, was secretary.

Community singing was led by Mrs. George Heasman, and several musical selections were given by visiting Forums. This history of the popular song, "This Old House," was read and afterwards sung by three gentlemen.

Mr. J. Bird of the Farm Forum Office, Toronto, gave a talk on the origin of Farm Forums, their use, and contribution to the Federation of Agriculture, which proved very instructive. He told how in 1941 the first Farm Forum was started in connection with adult education, to foster community spirit, which used to exist in days gone by, but gradually was dying out as there were so many new things to distract the attention of rural people; especially the rising generation, as it is so easy to drive into nearby towns or cities for an evening's entertainment; also to keep people interested in their home neighbourhood and local surroundings.

A representative from the Lands and Forests Department, gave some very interesting pictures of the Moira Conservation Project, showing what had been accomplished, and an especially outstanding one of the pine plantation at Flinton, Ont., which had been set out by the late Mr. Lessard, of Flinton, in 1928. Some thinning out has been done, part of which was sold to a firm in Cornwall for pulpwood and the balance as poles which more than paid for the cost of labour. This plantation is well worth the drive to see it, as it is only a short distance off No. 41 Highway. There is a sign showing the date of planting and of how it was deeded over to the Department of Lands and Forests.

Other slides showed contour plowing and planting of trees, where two men working very hard could plant about fifteen hundred trees in a day, and of a tree planting machine that could plant about six thousand trees in a day, where conditions were favourable.

CAVALL'S CARBIOLET

Jean Cavall climbs into his horse-driven cab every Friday evening on the CBC Dominion network and takes listeners on a trip through a mythical city; he visits night clubs, music halls, the odd concert, and meets street singers and other characters. He also does some singing himself, and, all in all, it's an entertaining trip through the wonderland of night life in a large metropolis.

the County Federation, lunch was served by the River Valley Forum, where some local men were called on to act as assistants, to show their domestic ability in time of necessity.

Cheese For Dessert

Why don't the dairymen's associations get out and convince restaurants that cheese is a very good thing with which to finish off a meal, especially when the cheese is as good as that produced almost in the suburbs of the city?

Such promotion would do good to the industry in two ways. It would notably increase the amount of cheese producers would sell. It would also assure the public that the industry was trying to help itself as vigorously as the taxpayers are forced to help it.

It might even do good to the people who ate it. After all, it is one of the non-fattening foods, as well as being pleasant to the taste. —Kingston Whig-Standard.

W. E. Sandcock Lauds Highways Dept. For Providing Better Roads

Appreciation to the Ontario Highways Department for the construction of development roads in the West Hastings riding, was expressed by W. Elmer Sandcock, M.L.A., in a recent address before the Ontario Legislature. The text of Mr. Sandcock's address given following presentation of Premier Frost's budget is as follows:

Mr. Speaker — When the Prime Minister, the provincial treasurer, presented his budget to the House we were all very proud that we lived in such a prosperous part of the world. Without the province's natural resources, industry and farmland, it would not be possible to present such an outstanding budget.

The extra unconditional grants to municipalities was a very excellent and fair way of distributing this large sum of money. I was pleased that there was no strings attached as to how it was to be spent as the requirements and problems are not the same in all municipalities. I have confidence in the elected councils of the municipalities of this province that it will be spent to the best advantage.

I have listened with interest to the many speeches made here this year, they have been outstanding with many good suggestions having been brought forward. If these are put into practice, they would be of great benefit to the people of this province.

We have heard considerable about highways and roads of all kinds since everyone is looking for more and better roads. The prosperity of the citizens of this great province has led to an ever increasing number of motor vehicles.

In addition to the larger number of passenger cars, much of our commercial traffic is dependent upon our highways. We are all aware of the expanding tourist trade and its importance to our economy. For this reason the Department of Highways is to be congratulated for its endeavours to provide us with more and better roads.

Two Problems

The riding that I have the honour to represent has two distinct highway problems. The Riding of Hastings West is about 10 miles wide and over 100 miles long.

The bulk of our population is concentrated in the centres of Belleville and Trenton. This presents us with our first problem. These cities have expanded so that the ten miles of highway between them is almost a continuous residential street with one of the largest air stations in Canada at the Trenton end.

In addition to the regular interurban traffic on this road, it is also the main road between Montreal and Toronto. This is further complicated by the swing bridge over the Trent River canal. We are happy that the department has made a long overdue start on a by-pass for this area. The grading for ten miles has been completed and we are assured that work on the bridges over the Trent and Moira rivers as well as the clover leafs and the remaining 17 miles of highway will proceed rapidly this year.

We appreciate efforts of the department in providing highways and development roads in the rural part of our riding. The highways in the Bancroft area have done much in opening up one of Ontario's most interesting summer resorts. Further efforts in this direction should provide even greater return from our American tourist trade.

Aid To Farmers

The development roads, however, are closest to my heart for they provide modern transportation facilities to one of the most important groups in our society, the producing farmer on the back concession. Those who live in urban areas cannot realize the value of these roads. They provide the means of access by which school buses can take the children to modern schools. They provide ready access to the produce markets. In short, they provide the means of inter-communication which can make life on the farm as desirable as that in the city.

The construction of these roads is beyond the financial ability of the counties or townships. It is therefore imperative that the government continue and expand this very desirable policy of road building.

While on this topic of highways I would like to congratulate the Highways Safety Committee on their report. There was one aspect which was not emphasized sufficiently in my estimation, and that was the reconstruction of curves on older roads to provide safer banking for the faster traffic of today. In my own community, I have observed an increasing number of accidents which seem to be caused by this condition. This would

next session of the legislature of the iron works, known as the Marmora Iron Works, in the County of Hastings, and that His Excellency would also ascertain upon what terms the proprietors of those works and of the land thereto attached would be willing to dispose of the same, and further estimates to be made of the probable expense of transferring the penitentiary from Kingston to Marmora for the purpose of employing the convicts in the manufacturing of iron there, should such a measure be decided upon by the legislature.

The report was quite lengthy, giving all details of the property having large substantial buildings, two smelting furnaces, four forge fires, two trip hammers, and all necessary equipment. When in full operation it produced at the rate of four tons of cast iron and five tons of bar per day.

Attached to the works are a grist mill with one run of stone, a saw mill with one circular two pit-saw, tannery and bakery and a blacksmith shop, carpenters' shop, with tools for each, and housing for all workmen and laborers.

Plan Abandoned

The whole project was studied from every angle but apparently the idea was dropped and has been left to free enterprise.

Belleville and Trenton are two rapidly developing industrial centres. We also have interesting examples of decentralized industrial development in Batawa, Frankford, Stirling, Marmora and Deloro. Belleville and Trenton are important railway centres. Hastings County, with its sturdy United Empire Loyalists, is one of the leading cheese producing areas in this province. Our other farm commodities, although less widely publicized, are equally important, and as long as this government maintains its policy of encouraging fair agricultural returns, will contribute to the growing prosperity of the area.

Quick Can. Quizz

- What Province recently moved into 2nd rank in value of mineral production?
- Of the annual total of immigrants to Canada what percentage are women and children?
- In 1954 did Canadian steel production increase or decrease from the previous year?
- Currently which has the greater value, Canada's import or Canada's exports?
- In 1945 the federal civil service payroll was \$15 million a month. What is today's monthly payroll?

ANSWERS: 1. More than \$30 million a month. 3. Steel production decreased by more than one-fifth. 1. Alberta, 2nd to Ontario 4. For the past two years other nations have sold to us more than they have bought from us. 2. Nearly two-thirds of all immigrants are women and children.

Dial Telephones For Belleville

At two minutes before midnight on Saturday, April 16th, Belleville will be without telephone service for the first time since 1879.

Thirty-five to 60 seconds later service will be restored to Belleville's 5,700 subscribers as a new \$2,000,000 dial exchange replaces manually-operated switchboards.

Native of Madoc Designs New Hydro Circuit Breaker

Carl Clifford Smith, a former Madoc resident and graduate of Madoc High School was honoured this week by the Canadian Westinghouse Company, Canada's second largest manufacturer of electrical equipment.

The tribute was in recognition of Smith's contribution as co-inventor of an important new device for protecting hydro electric equipment and transmission lines costing millions of dollars.

Smith entered Queen's University in 1927 and graduated in 1931 with a BS degree in electrical engineering.

His invention, known as the Jetaire circuit breaker, operates as a giant switch to guard generators, transformers and power networks against damage from dangerous short circuits powerful enough to blow 2,500,000 household fuses.

Smith's invention will have far-reaching implications for until its advent, circuit breakers had to be imported. Smith entered the circuit-breaker department in 1938 and two years ago took charge of the division. Almost immediately he began work on the Jetaire project and along with co-inventor Harvey McKeough of Hamilton will be unnoticeable to the human project.

Public Speaking Not An Art

Speaking to the members of the Life Underwriters' Association at Peterborough J. Alex Edmison, Q.C., stated that "public speaking is not an art."

Simple Rules

Simple rules that will provide an inward feeling of security for the speaker were listed by Mr. Edmison as follows:

1. Face the person you are talking to;
2. Never do anything to take the attention of the audience away from what you are saying;
3. Make proper use of your hands for emphasis, by using your head;
4. Make proper use of the human voice and inflections;
5. Know your subject.

The speaker who certainly was having no difficulty holding the attention of this audience, also offered his "Ten Commandments of Public Speaking."

With the wise advice "Never miss two or three good places to conclude — why add to the sum total of misery?" Mr. Edmison read the following, compiled 25 years ago for his own benefit and never changed:

10 Commandments

First: Thou shalt not commence thy speech with apologies. (Why warn your hearers that they are going to be bored? They will find it out soon enough!)

Second: Thou shalt not fill thy speech with statistics. (Statistics are dull and people do not — and will not — remember them.)

Third: Thou shalt not be overly sentimental. (While "audiences of one" may like considerable sentiment, those of larger numbers do not appreciate it usually.)

Fourth: Thou shalt not exaggerate. (Makers of exaggerated or highly colored statements do not gain much thereby. The way of the oratorical transgressor is hard — and your vocal sins will find you out!).

Fifth: Thou shalt not be sarcastic or unfair. (Audiences are quick to discover any trace of unfairness in a speaker).

Sixth: Thou shalt not be dull. (Why worship the false gods of the ordinary, the obvious and the commonplace? The world is full of interesting illustrations, fresh facts and absorbing anecdotes. There is no excuse for a dull speech!).

Seventh: Thou shalt not murder the Queen's English. (No — nor even criminally assault it! Further, the vocabulary problem can be solved by bringing the speaking vocabulary up to the limit of the reading one).

Eighth: Thou shalt not wander from thy subject. (The "reminiscence" often leads speakers into difficulties. Do not be reminded of jokes and stories so much that your speech proper is weakened).

Ninth: Thou shalt not steal the time of thy audience. (Speakers who get up unprepared or otherwise, and give their hearers nothing of value,

NEVER TOUCH a fallen wire!

One reason why electricity serves us so well is that it can be delivered wherever wires will carry it.

Ontario Hydro exerts every effort to keep safe the wires that carry this important commodity, but in spite of all precautions, lines occasionally break. A fallen wire is dangerous . . . it may be a "live wire".

Never touch a fallen wire under any circumstances!

Warn children not to go near them. If you find an electric wire on the ground, or dangerously low, please notify the nearest Hydro office and endeavour to keep others away until service men arrive. Your co-operation may be instrumental in saving a life.

interest or amusement, do literally steal the time of those they speak to).

Tenth: Thou shalt not be long-winded. (Have mercy on the audience).

Light, Velvety Easter Cake

What a lovely time of year! Spring is here now and with spring comes Easter. It is a time when children look forward to fluffy baby chicks and gaily coloured Easter eggs. But everyone, no matter what age, would be terribly disappointed if they did not have at least one or two eggs in some form at Easter. Because eggs are so popular at this festive season and because they make such beautiful cakes, the home economists of the Consumer Section, Canada Department of Agriculture suggest a delicate sponge, angel or chiffon cake for this year's Easter dessert.

Some may think because these delicate cakes are so light and tender they require a great deal of skill to make. Actually they are not difficult at all if directions are followed carefully. Here are a few tips that will help to make these light delicate textured cakes a success. After choosing a recipe from your favourite cook book take the required number of eggs out of the refrigerator so that they will be at room temperature when it is time to whip them. Egg whites whip to a greater volume when they are not too cold.

For the very light sponge, angel or chiffon cake an ungreased tube pan should be used so that the batter can cling to the pan as it rises. When baked invert the pan and let the cake hang until it is completely cold. If it is cooled upright it tends to settle down and may fall slightly.

These light fluffy cakes can be made in different mouth-watering flavours and tinted exciting colours. They are very delicious when coarsely grated unsweetened chocolate is folded into the batter before baking. Another delicacy is a daffodil cake which goes hand in hand with springtime and Easter. For this, spoonfuls of yellow sponge cake batter made with egg yolks and white angel cake batter made with egg whites are put into the cake pan in an irregular pattern. When the cake is baked and cut it has an attractive yellow and white marbled effect.

Any of the three — sponge, angel or chiffon cake can be dressed up for this special occasion with a smooth creamy frosting or served with whipped cream and fruit. A Boiled or Seven-Minute frosting attractively peaked on the cake is sure to cause expressions of delight from all who see and eat it. Here is an Easter twist for these two toppings made with deep purple grape jelly instead of the customary sugar and water.

Whether the icing is made by pouring a boiled syrup over beaten egg whites as in White Mountain frosting, or the Seven-Minute kind, it will be easy to make with the jelly. In either case all that is needed is two egg whites, a pinch of salt and three-quarters of a cup of grape jelly. For the syrup method melt the jelly in a small saucepan and boil it for ten minutes. In the meantime add the salt to the egg whites and beat until they are stiff but not dry. Then gradually pour the boiled jelly syrup over the beaten egg whites beating all the time until the mixture is stiff enough to spread. This will take from eight to ten minutes beating.

Even though this second frosting is called "Seven-Minute" it takes ten minutes instead of seven when made

NEWS FOR THE BUSY FARMER

TREE PLANTING TIME WILL SOON BE HERE

Many private individuals and the Department of Lands and Forests staff will soon be receiving their shipments of seedling trees to add to the reforested areas of this district. The Department nurseries in the average year are able to start shipping about the middle of April with all orders being sent out in around four weeks. There is always the possibility than an early spring may make it possible to ship trees up to 2 weeks earlier. Everyone concerned, therefore, should have their plans made to look after the stock as soon as it arrives. The chance of a successful plantation depends a good deal on following a few practical rules in looking after the young trees and in getting them planted.

The trees are carefully packed, and delivered by express to avoid delays as much as possible. However, by the time they are received, several days may have elapsed and steps should be taken immediately to keep them in good condition. A small number of trees may be removed from the package and placed in a tub with moist moss or soil around the roots making sure that all air is excluded. A larger number of trees should be placed in trenches in a moist shaded place near the planting site and the soil well firmed in around the roots. In this way, trees can be held for several days until planting is completed. All planting should be completed before the new growth starts on the trees. This is usually about the middle of May.

During the actual planting every precaution should be taken to prevent the roots of the seedlings from drying out. The usual practice is to carry the trees in a pail with about 4" of water in it to keep the roots moist. Wet moss or burlap can be substituted for the water. Preparation of the planting site should include the removal of the sod. This prevents competition from weeds and grass and allows more water to reach the roots of the trees. The easiest way to remove the sod is by plough-

ing single furrows if the area is suitable. If not, it can be done by hand when planting.

Most trees are planted at a spacing of 6' x 6'. However, Red Pine can be planted at 8' x 8'. Any type of shovel can be used to make the hole for each tree making sure that the hole is deep enough to get the roots well into the ground. The soil should be well packed in around the roots so that no air spaces are left. Following these suggestions, a good plantation should result.

JUNIOR FARMERS AND SAFETY

Elgin County Junior Farmers and Junior Institute have begun a farm safety programme which extends onto the highways, according to the St. Thomas Times Journal.

As a start, they are promoting the use of a reflectorized sign, 12 x 15 inches — "Slow Vehicles" on all slow-moving farm vehicles which must, from time to time, move upon the highway.

The executive has indicated that the broad programme planned, is gathering momentum.

One night a dignified member of a swank club for men walked in and was shocked to find a woman there. "What happened?" he asked the club owner.

"We've decided to let members bring their wives in for dinner and dancing once a month," was the reply. "But that's not fair," complained the member, "I'm not married. Could I bring my girl friend?"

The owner thought for a minute and replied slowly: "I think it might be all right, provided she's the wife of a member!"

Canada's last public hanging took place in Ottawa in 1869.

In 1954 Canadian consumer spending reached a record total of \$15,581 million, an increase of \$46 million over 1953.

Self-Help Important To Community Health

Since the foundation of the Canadian Medical Association in 1867 its first object has been "The promotion of health and the prevention of disease." The medical profession is proud of the achievements of its members and associates in providing new discoveries for the prevention of disease and the treatment of suffering humanity; but humble in the knowledge that much still remains to be learned in every aspect of medical science.

Physicians in all branches of medical practice, as well as those in specialized fields of medical administration and research studies, are constantly searching for new and improved methods for the prevention of disease, the improvement of medical treatment and rehabilitation of the handicapped.

The first line of defence in achieving a state of good health or well-being is self help, says the C.M.A., which means taking advantage of the knowledge and services that are available to us. The second line of defence is provided by the practising physician who, through his training and special skill is ready and able to offer that assistance necessary for the prevention of disease and the treatment of the sick.

The C.M.A. believes it is important that each and every individual concern himself with his own state of health as well as the health of others in the community. We are all interdependent one upon the other for our economy, livelihood and health. The health of the community, therefore, is just as good as the health of its individual members. To quote from the prospectus of the U.S.A. National Citizens Committee for W.H.O., "The supply of health is unlimited. If our neighbour gains in health we gain also."

Although much has been accomplished in the prevention and treatment of disease, the laws of nature are constantly providing new threats to our health. We must, therefore, keep constantly alive to the changing disease problems around us and continue to develop new and better defences for disease prevention and treatment. By so doing, Canadians may continue to enjoy the high standard of healthful living to which we have become accustomed.

Plans For York Management Unit Completed

The Management Plan for the York Management Unit has been completed.

This Management Unit occupies an area of some 655 sq. miles in the north-west corner of the Tweed District and takes in part or all of the following Townships: McClure, Wicklow, Bangor, Radcliffe, Brudenell,

Herschel, Monteagle, Carlow, Raglan, Lyndoch, Faraday, Dungannon and Mayo Townships.

The Unit lies in the valley of the Madawaska River which once supported some of the best White Pine stands in the county. One of the main objects of the plan is to build up the growing stock of this species and protect it from insect, fire and disease so that the lumber industry will again thrive on the products obtained from this valuable species.

Communications Development In Tweed District

In the past, fast reliable communications between Chief Ranger or Deputy Chief Ranger Headquarters and their respective towers has not always been satisfactory, due to old telephone circuits, and inadequate radio facilities.

This summer additional radio coverage will be available to remedy the conditions mentioned above. Three new Pye radios have been received, to be installed at Gilmour, Palmer Rapids and Plevna. These radios will operate on our present tower radio frequency of 72.38 megacycles, and provide direct communication between these headquarters and adjacent towers.

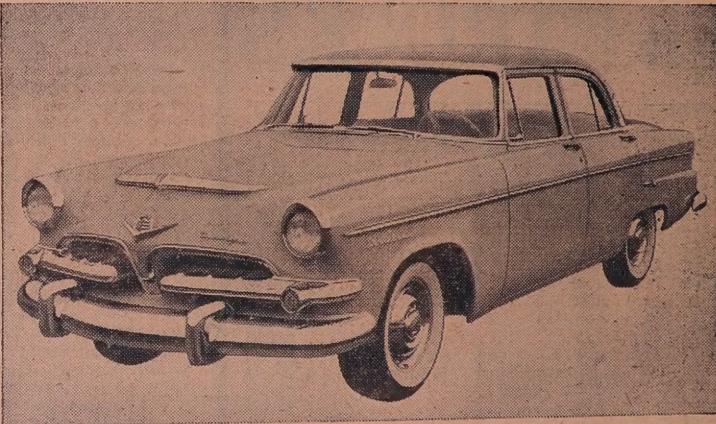

It is expected that within a couple of years, the present tower radio system, as well as the ground stations, will be modified for use on 46 megacycles, thus permitting installation of mobile radios in cars and trucks. This should be of particular interest to the Fish and Wildlife staff as well as Forest Protection personnel.

Installation of the Pye radios will be made early this spring, in preparation for the coming fire season.

Courteous Driving Plan Important As Car Keep

A deliberate plan to drive courteously is as important an element of safe driving as keeping a vehicle in sound mechanical condition, advise safety experts of the Ontario Department of Highways.

"No one deliberately gets into an accident" they point out "but thoughtlessness and discourtesy trap motorists into hazardous actions which produce accidents again and again. Discourtesy is at the root of most traffic violations and traffic violations are at the root of more than 80 per cent of fatal motor vehicle accidents."

A thumbnail reminder of courteous and efficient driving could be:

SHARE, CLEAR, YIELD, SIGNAL,

DIM, RESPECT and ADJUST. SHARE means share the road. There's a slogan which says, "Don't take your half of the road out of the middle." Co-operation between different types of traffic is a must. Keep right!

CLEAR will indicate the need for proper clearance when passing. Don't cut in too quickly. A good yardstick is to wait until the vehicle you have passed appears in your rear view mirror before turning back into line.

YIELD will suggest "right-of-way." A little courtesy and patience when right-of-way is involved can prevent hundreds of unnecessary collisions.

SIGNALS to indicate turns and stops are required by law. Don't make the oncoming traffic or the fellow behind guess when you're going to change direction or speed. Signal your intentions so that he can adjust his driving to suit the situation.

DIM your headlights when meeting Napane.

or following vehicles. When you fail to dim your lights, you can blind the driver of an oncoming vehicle. You can't avoid what you can't see — and he could plough right into you. It has happened often enough in the past.

RESPECT is for traffic laws, signs, signals and road markings. A moment's thought will demonstrate that they are meant for your protection. It is dangerous to neglect their message.

ADJUST your driving to road, traffic and weather conditions. A sound driving rule is "When conditions are less than perfect, slow down."

New Telephone Books Issued To Subscribers

The new look of the telephone books which are being delivered to Bell customers in Stirling this week goes deeper than the slick buff covers, according to G. W. Proctor, Bell manager for this region.

The new directory contains 23,465 new and changed listings. Many thousands of these changes are due to the major alteration in Belleville's telephone system. On Sunday, April 17th, all telephones there will change to the dial system and the new numbers which begin with "WOodland 2" and "WOodland 8" will come into use. This will bring Belleville under the uniform two-letter five-figure numbering plan that is gradually being put into effect throughout Canada and the United States.

Because of the number of changes in the directory, Mr. Proctor urges telephone users to refer only to the new book, once it becomes fully effective. The effective date of the new directory is printed in a "box" on the front cover, as a reminder to Bell customers.

Mr. Proctor suggested that each telephone user check his copy of the Blue Book of Telephone Numbers against the new book, and bring this personal list up to date. He said that this will help to eliminate calls to "Information" which are often unnecessary.

"By listing out of town telephone numbers in the Blue Book and giving the operator the number when placing a long distance call," said Mr. Proctor, "the telephone user can reduce by as much as half the time required to make the connection."

This year 24,984 telephone books were distributed initially in Belleville, Trenton and the surrounding territory as compared to 23,399 last year.

Delivery of the telephone book here is part of the gigantic task of publication and distribution performed by the company each year. During 1954, fifty-six different directories issued throughout Bell's Ontario-Quebec territory used up 3,603 tons of paper. These directories varied in size from the smallest, with 28 pages, delivered to 3,350 customers, to the largest containing more than 1,600 pages, of which 600,000 copies were issued.

Lift Size Limit On Pickerel

The size limit on pickerel and perch will be lifted in Ontario this year on an experimental basis.

Lands and Forests Minister Clare Napledor made the announcement. He asked fishermen to study the conditions that develop from the no-limit rule and report the results to game wardens.

The minimum limit for pickerel caught in the past has been 14 inches in Lake Erie and 15 inches in other waters. For perch, the limit was not less than nine inches in the St. Lawrence river and tributaries in Cornwall Township. No length was specified elsewhere.

Will Dig Well For Water Supply

The Public Utilities Commission of Campbellford, has decided to drill a well which will assure the town a supply of water better than that which it now receives from the Trent river.

A contract for the drilling of a ten inch well has been let to C. J. Fraser, well driller of Marmora.

Mrs. Roy Bush Elected President River Valley Women's Institute

The April meeting of River Valley Women's Institute was held on Thursday, April 7th at the home of Mrs. Ed. Heasman and her mother, Mrs. Ina Free, with eighteen members in attendance.

Mrs. Ross Bush presided and Mrs. Phil Conley officiated at the piano. Mrs. J. L. Donohoe read the correspondence which consisted of several thank you notes, and gave her usual report. It was regretted that a life member, Mrs. Jennie Donohoe, was in hospital. Several items of business was discussed and tabled.

Mrs. Percy MacMullen, Link Secretary, read two letters from Abbot's Leigh W.I. at Bristol, England. The airmail of April 3rd said they had dreadful weather, snow, gales, rain and above all, no London papers for ten days. Four ladies gave their names to be forwarded for pen pals.

A letter from Provincial President, Mrs. Gordon MacPhatter, was read, and it was decided on motion that each member contribute twenty-five cents for the A.C.W.W. trip to Ceylon.

Mrs. J. L. Donohoe, Secretary-Treasurer for six consecutive years, gave a full financial report. In the six years the Institute has taken in as receipts \$3,381.00 and spent \$2,904.00, and they have \$650.00 in bonds. The receipts for the year now closed were \$565.00. Forty-nine members paid \$12.50. The social evenings netted \$442.42, and this included the various card parties.

The money was used as follows: Fruit boxes and funeral flowers for folks in River Valley community, \$100.00; donations to several charities outside the community, \$171.39; gifts, \$28.57; delegates expenses to meetings, \$17.50; and miscellaneous expenses of about \$200.00. There is a small bank balance to carry on the work during the summer months.

Life Memberships

At this juncture Mrs. Ross Bush read an appreciative address to Mrs. J. L. Donohoe on behalf of the seven Presidents. Mrs. Fred McDonnell made the presentation of a Life Membership and badge on their behalf. The recipients graciously expressed thanks. The seven presidents providing the gift were Mrs. Fred McDonnell, Mrs. George Heasman and Mrs. Hugh Jones from 1944 to 1947, and Mrs. Harold Morgan, Mrs. Don Donohoe, Mrs. Ed. Heasman and Mrs. Ross Bush from 1949 to 1955.

Mrs. Percy Utman, Charter and Life Member, presided over the election and installation. The report of the nominating committee was read by Mrs. Sheldon McIntosh as prepared by Mrs. Ernest Carr.

The new slate of officers is as follows:

President — Mrs. Roy Bush
1st Vice-President — Mrs. Ralph Utman

Foxboro Teacher To Tour Old Land

Miss Marilyn Parks, teacher in the Public School at Foxboro, is one of four young women who will sail on May 23rd for a tour of farms in England and Scotland.

The young people will make the trip under the auspices of the Ontario Department of Agriculture. They are all members of Junior Farmer Clubs.

Disease Control In Gladiolus Corms

Gladiolus lovers, from the commercial growers to the housewife who hovers constantly over her plants, will soon be thinking of planting their favourite flower. The growing of healthy plants, advises Prof. C. B. Kelly, Department of Botany, Ontario Agricultural College, depends to a large extent on the health and vigour of the corms, and the following suggestions may prove helpful to interested gladiolus growers.

First of all, any diseased corms should be discarded, and any new corms purchased should of course be disease free. Secondly, it is advisable that the corms be treated with mercuric chloride (corrosive sublimate) to insure against the introduction of the disease into healthy soil. This treatment consists of the following steps:

Dissolve 1 ounce of mercuric chloride in hot water and dilute with cold to make 6 Imperial gallons. Prepare the liquid in wooden tubs or barrels since metal will be corroded and the solution weakened. About 12 to 16 gallons of solution is required to treat a bushel lot of corms. (The volume of solution should be 2 to 3 times the volume of corms treated at one time.) Soak the corms for 2 hours. Prolonged soaking may injure some varieties. Some mercury is removed during treatment. After treating the first lot add 1-3 ounce of mercuric chloride per six gallons of solution. After treating the second lot add an additional 1-3 ounce of mercuric chloride per 6 gallons of solution. Discard the solution after treating the third lot of corms and start fresh. Plant immediately after treating.

Plantings should be made in warm, well-drained sandy soil, and it is important that a site be selected in which gladioli were not grown last year. Finally, the soil should not be kept saturated by excessive watering or irrigation.

Springbrook

(Too Late For Last Week)

Mr. and Mrs. Doug Fox and family visited relatives in Frankford on Saturday evening.

Mr. and Mrs. Reg. McKeown and Mr. and Mrs. Hiram Mumby and Mariel were guests of Mr. and Mrs. Clarence Jeffrey and family, Napanee, on Sunday.

Mr. and Mrs. Malcolm Mason and Lynn visited Mr. and Mrs. Tom Sartes of Stirling, on Sunday afternoon.

Congratulations to Miss Edna Solmes and Mr. Norris Conboy, of Belleville, who were married on Saturday.

Miss Lillian Grant, Belleville, was a week-end guest of Mr. and Mrs. A. Herrington.

Bride-To-Be Honoured

A delightfully arranged kitchen shower was held at the home of Mrs. Cecil Bateman and Lenora on Thursday evening when about fourteen ladies met to honour Miss Edna Solmes prior to her marriage on Saturday. The evening was spent in contests, games and community singing. An address was read by Mrs. Ed. Galway and Edna was presented with a decorated basket of gifts for which she voiced her most sincere thanks to each one. A delicious lunch and a social hour brought a pleasant evening to a close.

Holloway

(Too Late For Last Week)

Susan Mary Wellman, infant daughter of Mr. and Mrs. Fred Wellman, was christened in the church on Sunday morning by Rev. Darke. During the service a duet was rendered by Misses Lois McMullen and Barbara Robson.

Mrs. Herb Townsend, Mrs. Coleman Townsend, Mrs. Kenneth McMullen and Mrs. Harry McMullen, spent Thursday afternoon at the home of Mrs. Robert Phillips and Mrs. Emily Phillips.

We extend a welcome to Mr. and Mrs. Eugene Kelly to our community.

Mr. and Mrs. Harry McMullen and Glen were Sunday afternoon callers at the home of Mr. and Mrs. Ira Bristol, of Springbrook.

Given Presentation

Mrs. Arthur Sine was pleasantly surprised on Friday afternoon when a number of ladies from Bethel, Zion

and Holloway communities, gathered at the home of her daughter, Mrs. Fred Wellman, and presented her with a lovely wrist watch.

Mrs. Roscoe Robson called the gathering together and spoke of the many services Mrs. Sine had rendered to the community in the past years, after which little Miss Marlene Tufts made the presentation. Mrs. Sine very suitably replied and expressed her thanks, after which Mrs. Will Tufts gave a few remarks.

Mrs. Sine intends leaving on Monday for a few weeks in New York City, the guest of her mother and sister.

A lovely lunch was served and a social half hour enjoyed, after which all departed for their homes wishing Mrs. Sine nice holiday.

Ivanhoe

(Held over from last week)

Mr. T. E. Fleming attended the funeral of the late Percy Claude Barnett in Tweed on Monday afternoon.

Mr. and Mrs. Hector Eggleton and Jean, of Stirling, were Friday evening guests of Mr. and Mrs. Milton Shaw.

Terry and Lance Beer attended the funeral of their grandfather, the late George Beer, held in Belleville Monday afternoon.

Mr. and Mrs. Harper Rollins, Stirling, were Friday supper guests of Mrs. Henry Wallace.

Mr. P. M. Wood visited with Mr. and Mrs. Ernest Bateman, of Tweed, on Sunday.

O.S.R. Lloyd Reid, of Halifax, is holidaying at his home here.

Given First**Polio Vaccine**

Thirty Grade I and II school children were given their first Polio vaccine injections by Dr. S. R. Beatty, M.H.O., in Ivanhoe Township Hall on Tuesday morning.

Each child will receive three injections. The decision to go ahead with the vaccinations in Canada was based on the hope that the serum would prove effective, thus putting Canada a year ahead in its war on Polio.

Honoured On**79th Birthday**

On Thursday evening, March 31st, the home of Mr. and Mrs. Thos. Tanner was the scene of a happy family gathering held in honour of Mrs. Thos. Wilson, nee Martha Ray, of Winnipeg, Man., on the occasion of

her 79th birthday.

The evening was spent in visiting and reminiscing. Mr. Percy Ray, of Harold, brother of Mrs. Wilson, on behalf of the family, extended birthday congratulations and best wishes.

Mrs. Wilson was presented with a handsome dressing gown and matching slippers. She was also the recipient of many congratulatory cards and other gifts. In a few well chosen words she expressed her pleasure and thanks, stating that she was happy to be able to celebrate her birthday in good old Ontario with her kin folk. All joined in singing "Happy Birthday" and "For She's A Jolly Good Fellow."

A delicious lunch was served. The prettily decorated birthday cake, complete with candles, was made by a niece, Miss Gwen Ray, of Harold.

Those present were Mr. and Mrs. Wm. Ray, of Holloway; Mr. and Mrs. Percy Ray, of Harold; Mr. and Mrs. Theodore Cooney, Mr. and Mrs. Stewart Art, of Belleville; Mr. and Mrs. Fred Bateman, Mr. and Mrs. Norman Ray, Mrs. John Stiles and Miss Annie Fleming, of Ivanhoe.

Mrs. Wilson was born in Ivanhoe and old friends here join in extending congratulations and best wishes on this occasion.

4-H Club Quizz

A popular programme item at club meetings, especially during the winter months, is the quiz on 4-H club work. The following, as prepared by R. F. Heard, Assistant Agricultural Representative in Waterloo County, Ontario, is a good example:

Questions —

1. What do the four "H's" stand for?

2. What is the scope of the 4-H movement?

3. What are some of the main objectives of 4-H club work?

4. What is the motto of 4-H work in Canada?

5. Who may become a 4-H member?

6. What are the age requirements?

7. What prize money is paid to 4-H members?

8. How many 4-H clubs were there in Waterloo County in 1954?

9. How many members?

10. What is the highest award a 4-H member can win?

Answers —

1. The four "H's" stand for Head,

Veal On The Spring Table

One of the things that keeps meal time interesting is variety in the meat course. Veal is one of the meats which is plentiful now, in fact spring and early summer is the peak of the veal season and the time to put it on the menu. It is a mild flavoured meat with very little fat and the lean is fine textured and rather velvety.

The cuts of veal vary greatly in colour and size because they come from animals of different weight and maturity, ranging from a few weeks to fourteen weeks of age. The colour of the meat and the bone is usually a pretty good indication of the age of the animal. Meat from younger animals is pinkish gray in colour and the bones are soft and reddish. The meat from older animals is a slightly darker pinkish brown colour and the bones are somewhat larger, coarser but still slightly reddish in colour. Veal fat ranges from white to creamy white in colour and may be tinged with pink.

Although veal comes from a young, tender animal it has a considerable amount of connective tissue. The home economists of the Consumer Section, Canada Department of Agriculture tell us that veal must be cooked slowly and long enough to completely tenderize it. They say that veal actually takes longer to cook

to very low and continue cooking, covered — one-inch thick chops will require fifteen to twenty minutes on each side; half-inch thick chops eight to ten minutes on each side.

To braise veal chops, that is to cook them in liquid, preferably a well-seasoned gravy, the chops should be browned on both sides, gravy added and simmered covered on top of the stove or placed in the centre of a 325-deg. F. oven. In either case, allow twenty to twenty-two minutes a side for one inch chops, or ten to twelve minutes a side for half inch chops.

Ontario Plowman Wins In B.C.

Word has been received from F. A. Lashley, Secretary-Manager of the Ontario Plowmen's Association, that Hugh Baird, of Blackwater, Ontario, has won the Open Tractor Plowing Championship with a score of 93.2 points in the all-class Plowing Match held recently by the Chilliwack Plowing Society. The runner-up was Ian Stevenson, of Cowicuan, B.C.

Norman Jarvis, of Markham, came second in the Open Horse C Class, losing out by one point to Wm. Dybie, of Sardis, B.C.

During their trip to the west coast the party, consisting of Mr. Baird, Mr. Jarvis and F. A. Lashley, the trip manager, visited various places of interest. Some of these were Calgary, Vancouver, Victoria, Nanaimo, Edmonton and Winnipeg.

Ontario's street and highway toll in 1954 from motor vehicle accidents was 1,045 — 37 fewer than in 1953.

NEWS FOR THE BUSY FARMER

FOREST PROTECTION

Preparations for the coming fire season have been underway for some time with fire prevention efforts, getting fire fighting equipment in readiness, protection meetings with Municipalities in the Fire District as well as with Townships outside the Fire District, the completing of arrangements for co-operation with Provincial Police, Railways and other services.

With the first signs of spring many miles of Department telephone lines are given a final checkover, poles replaced where necessary and circuits placed in first class condition. Addition two-way radios are being installed at main Headquarters, supplementing the telephone system and weather instruments inspected so that anticipated hazard conditions can be forecast as accurately as possible.

CARE AND MAINTENANCE OF THE SEPTIC TANK

In rural areas, suburbs, or new districts without city sewage disposal, but where water is available in the house, the septic tank is an inexpensive and efficient method of disposing of sewage, states Prof. E. H. Garrard, of the Department of Bacteriology, Ontario Agricultural College.

Like all systems, however, the septic tank can be abused or neglected, and considerable trouble and inconvenience may result, especially if it ceases to function in the winter time. An inefficient system may be caused by improper location, faulty construction, lack of attention, overloading and other factors. Questions received at the O.A.C. from worried householders indicate a lack of knowledge of such factors as bacterial action, the absorption bed, cleaning of the tank, clogging, overloading and the addition of cleaning solutions.

To answer these questions the Department of Bacteriology, O.A.C., has prepared a circular on "The Care and Maintenance of the Septic Tank." It is obtainable now at the office of the Agricultural Representative.

SOIL AND CROP CONVENTION PROCEEDINGS NOW AVAILABLE

The Field Crops Branch of the Ontario Department of Agriculture announces that a complete record of Addresses and Proceedings, 1955 Annual Convention, Ontario Soil and Crop Improvement Association, is available free of charge from their office, Parliament Buildings, Toronto, or from the offices of local Agriculture

URAL REPRESENTATIVES.

The booklet is suitably illustrated, contains some one hundred and fifty pages and is neatly bound. Included are sections for potato, turnip and registered seed growers dealing with many subjects of interest to each. Some of these are: "Trends in the Seed Export Market," "New Names in Field Crop Varieties," "Report on Scab Research Project," "Late Blight Control," "Washing and Waxing Rutabagas," "Turnip Maggot Control," "Mechanical Harvesters," etc.

The general crop section deals with such topics as "Zero Pasture," "Grass and Legume Combinations to meet the needs of Ontario Farmers," "Building Fertility with Cash Crops," "Farm Renovation" and many other timely subjects.

All topics are designed to point the way to better farm practices with the hope that members and citizens generally will take an active and aggressive part in maintaining and restoring our natural resources, particularly soil and water, which constitute the real wealth of the province.

Wilfred J. Schneiter, of Baden, was the 1954 President of the Association and there are eighteen directors representing the entire province from the standpoint of every major source of farm income.

CANADIAN BRED HOLSTEIN IN U.S. HAS HUGE LIFETIME TOTAL

One of the great milk producers of the Holstein breed is Lornabelle Doreen Posch. She has a lifetime total production of 238,955 lbs. milk (95,582 quarts) and 8,433 lbs. fat, 3.52 per cent butterfat. This total was made in twelve lactations, seven of them on twice-a-day milking.

Lornabelle was bred by Victor J. Lawrence, Oakville, Ontario. She made her first three records in the Lawrence herd, and then was sold to Merle H. Greene, of Elsie, Mich.

Contrasting with Lornabelle's great lifetime record is that of the Canadian Champion for lifetime milk production Susie Korndyke Payne Lass, with 230,179 lbs. milk and 7,657 lbs. fat made in nine lactations. This record was completed in 1944, in the herd of Eaton Hall Farm, King, Ontario.

Lornabelle's best yearly record was 29,908 lbs. milk and 1,044 lbs. fat made as a nine-year-old on three-times-a-day milking.

Four Ontario cities went through 1954 without a single fatal motor vehicle collision. They were Niagara Falls, North Bay, Sudbury and Woodstock.

SEED SHOWS SHOW VALUE OF PLANTING CLEAN SEED

By the end of March seed fairs throughout the older sections of Ontario have come to a successful conclusion. There are still a number of shows scheduled for April in Northern Ontario, with the one for the District of Nipissing to be held on May 2nd at North Bay.

The attendance at seed fairs this year has been the largest on record, making it necessary for some organizations to plan for larger accommodation next year, according to the Field Crops Branch of the Ontario Department of Agriculture. In spite of unfavourable weather during last year's harvest, the total number and quality of exhibits at this year's County and District shows were at an all time high. Unusual interest has also been taken in the educational programmes, particularly panel discussions dealing with such subjects as grass silage, drainage, maintenance of soil fertility, new varieties, corn, cash crops and the business of farming.

The situation was summed up in these words by the President of the North Simcoe Soil and Crop Improvement Association, Arthur Gardiner, of Wyebridge, when he officially opened the biggest and best seed show in the history of their organization.

"Those of us who have been farming for the past twenty-five years and have experienced the change from horses to tractors from pitch-forks to power lifts and from hand pumps to hydro, sometimes wonder where it will all end. We now have to spend dollars where we used to spend cents. Taxes are higher. The cost of gasoline and machinery repairs is greater than all our farm expenses put together used to be."

However, in all this period of change some things remain the same. The difference in price between good seed and poor seed has always been small. The difference in the crop resulting from the use of good seed or poor seed has always been big."

The 1954 analysis of samples taken from seed drills in Western Ontario proved that one out of every five farmers used seed classified as rejected because of weed seeds. Some 24 per cent of all grain samples obtained fell into the rejected class as did 23 per cent of grass and clover seed samples. One out of every four samples of home grown seed was rejected grade. For about one dollar an acre difference in price certified or registered seed could have been bought and sown, thus insuring the highest standards of purity and germination.

One out of every four samples cleaned by a farm fanning mill was rejected grade. Make sure your fanning mill is in good mechanical condition and operated properly. For less than fifty cents an acre a reputable licensed seed cleaning plant can clean your seed to Number 1 commercial standards of purity.

It pays to use graded seed!

THE POWER OF WATER

It takes —

- 24 gallons of water to produce a pound of paper.
- Up to 10 gallons to produce a can of vegetables.
- 70 gallons to make a pound of woolen cloth.
- 65,000 gallons to produce a ton of highly-finished steel.
- 750 gallons to produce a ton of dry cement.

MUSEUM BREATHES LIFE INTO SPECTACULAR DISPLAY

(By Morland Jones)

In a buzz of activity in the morning until the Museum guard echoes by to punch the next clock on his nightly rounds, a triumph of experimenters frantically, but in organized union, frisks about the Mineralogy and Geology Section of the Royal Ontario Museum in Toronto. They face an April 15th deadline when a revolutionary exhibit will splash in the public's face.

The experiment is something new in geological display. It is a study of the earth's rocky crust that comes alive under the treatment of John Hillen, a man whose fantastical life has left a zigzag trail across the globe.

From the starvation of a Japanese concentration camp during their 1942-45 purge of Indonesia, Hillen worked his way to his native Holland. He skipped the Atlantic, settled in Toronto in 1952 and is now designing at the Museum a completely new geological display. The product of his first two year's work of this long-term project will be unveiled April 15th.

Combines Lights, Color

A manipulation of soft colored light, scientific information and modern design that is unique in such exhibitions are molded together. It is an experiment that at a formal opening will be tried out and tested on an audience of geologists, mineralogists,

museum officials and others who are interested in a precedent being set in the provincial capital and museums generally.

Along with Hillen are Walter M. Tovell, Curator of Geology in the Royal Ontario Museum and lecturer at the University of Toronto; and Harold Vanstone, a young artist and graduate of the Ontario College of Art. For two years the dream has been taking shape with Tovell laying the geological foundation, Hillen supplying the display knowhow, and for the last eight months, Vanstone applying his skills to the decor. They face a deadline forcing them to burn the Museum lights into the night.

FANTASTIC VARIETY

Basalt columns from Ireland's Giant's Causeway, polished granite from Ontario that resembles marble to the untrained eye, and graphic granite from Hybla, Ontario, are but a few of the colorful rock samples. Large aerial photographs of snow-capped volcanoes, thundering waterfalls, meteorite craters and glaciers from the Canadian north provide attractive background for the rocks from those areas. All this introduces the public to the subject of geology.

As Tovell explained it, the other two sections to be opened at this time tell the geological history of Toronto and vicinity, and the glacial story of the earth.

The exhibition is subsidized by the J. P. Bickell Foundation. Since its inception in 1951, the Foundation has contributed to many phases of museum work and has helped the community progress culturally in the arts and sciences.

Tovell has nothing but praise for his associates, Hillen and Vanstone: "We certainly wouldn't have come to such a happy result without the cooperation between the geologist and the designer," he said. And Mr. Hillen nodded in agreement.

Probably the most fascinating part of the display is a case enclosing a sample of rock which is thought to be the same as that some 1,200 feet beneath Toronto. Actually no man has seen the rock at that point and the specimen came from Muskoka.

Explains Research

When asked how geologists arrive at this conclusion, Tovell said that the old rocks of the Muskoka area underlie the sedimentary rocks of lower Ontario, becoming buried ever deeper as we go south towards Toronto. He went on to say that these rocks were formed by heat and pressure about one billion years ago.

A boulder rests exposed beneath an epitaph which reads in part: "... a strange tale out of the past — the story of a boulder transported over a hundred miles at a time when now-extinct elephants roamed the environs.

of Toronto." During the ice age it was deposited at a point over which the museum now stands. "It is all this and more because it concerns man's infinite yearning to know the truth about himself and his world, and that truth he will never possess until he has trekked backward into time far enough to see his own footprints merge with those of lesser beasts and finally disappear in strata formed

before life itself." It is a moving inscription playing host to the spectator viewing his heritage in a new light. It is a pleasant sensation having the pages of earth-history turned by such experts as Tovell the scientist, Hillen the designer, and Vanstone the artist. The story as depicted here has never been told before in geological display and is truly destined for world-wide recognition.

HOLIDAYS BECKON

From coast to coast across the country sunny skies and balmy summer days will soon be calling Canadians away from the hurry and scurry of workaday life to that relaxing annual break down the "summer holiday." Soon to open are the Canadian Pacific Railway's hotels, inns, chalets and lodges located at famed resort centres throughout Canada. Golf, swimming, riding, sun bathing, tennis — all the summer holiday pastimes — including the serenity of just en-

joying magnificent scenery — await the vacationers. Upper left photo shows a couple canoeing on beautiful Lake Louise in the Canadian Rockies, where the Canadian Pacific's famous Chateau is open from June 14th to September 7th. Lower left shows guests at the Digby Pines Hotel at Digby, N.S., open this season from June 22nd to September 4th, enjoying themselves taking the sun or lazing about the swimming pool. Shuffleboard enthusiasts at the Banff Springs Hotel always have a hard time keeping their minds on the game with such beautiful sights as the Bow River and the Rocky Mountains to distract their attention. This magnificent summer resort will reopen from May 31st to September 15th. Golfing on the 18-hole St. Andrew's-by-the Sea course, site of the Algonquin Hotel, open from June 16th to September 7th, provides thrills to experts and duffers alike, as the course is of championship calibre, but teed for average players too.

the guest speaker for the evening, Miss Barbara Redner. Miss Redner is an outstanding girl in Junior Farmer and Institute work. She was one of the two girls chosen from Ontario to represent the Province in the exchange group to tour the British Isles last year. Miss Redner very graciously replied and held the interest of everyone while she showed pictures of her tour which included many beautiful scenes of the British Isles.

The President voiced the appreciation of the groups to Miss Redner.

The Stirling group took charge of the recreational period and everyone took part in the games led by Mrs. B. Wilkins and Mr. A. Francis.

The Carmel ladies served a delicious lunch to all.

Variety Programme

On Tuesday evening, April 5th, Carmel Married Club held a Variety Programme and Pie Social. Mr. Douglas Pyear took charge and welcomed all the guests.

Master Donnie Armstrong favoured with a coronet solo and vocal solo, "Open up your heart and let the sunshine in." A piano duet, "The Witches Flight," and "Tea for Two," were given by Mrs. Arthur Pyear and Mrs. Gerald Clancy. The Fraser sisters gave two tap dancing numbers. Miss Carol Welsh gave several readings, "Obituary of Sam Stover," "My sister's best seller" and "Betty practices her piano lesson." Mr. X. P. Mayhew rendered a solo with guitar accompaniment. Mr. Gerald Taylor gave several numbers on his accordion.

The Rawdon Male Quartette, consisting of Messrs. Craig and Glenn Watson, Edgar Graham and Ralph Johnston, rendered two vocal solos.

Wayne Campbell gave two tap dancing numbers. Mrs. Stewart Hoover gave two humorous readings, "Miss Dorothy entertains the Minister,"

Miss Lullabelle Matthews rendered two violin solos. Mr. Charles Reynolds favoured with two solos, a French solo, and "A man chases a girl." The Heasman sisters rendered two vocal duets.

Mr. Pyear thanked everyone who helped on the programme and the Carmel ladies served sandwiches, pickles, celery, pie and coffee.

Members of Oddfellow and Rebekah Lodges Attend Divine Service

Rev. A. Packman Delivered Inspiring Message — Over 175 Members Present

Commemorating the 136th anniversary of the founding of their Order on this continent the members of the various branches of the Independent Order of Oddfellows in Stirling and visiting brethren attended divine worship in St. Paul's United Church on Sunday morning at eleven o'clock.

Led by Stirling Citizens' Band, under the leadership of Maurice Bell, the members of Stirling Lodge, No. 239, Stirling Encampment, No. 80, and Belleville Canton No. 8, together with a large number of visiting brethren, paraded from their lodge room on Front St. At the church they were joined by members of Laurel, Rebekah Lodge, No. 211, who occupied the front pews of the church. Visitors were present from practically every lodge in the district and as far east as Kingston. Altogether there were close to one hundred and seventy-five members of the Order in attendance at the service.

The simple but impressive service was conducted by Rev. A. Packman, with the Scripture Lesson being read by R. E. Fox, Grand High Priest Grand Encampment Ont. The Junior Choir rendered an anthem, "Raise The Song of Triumph." The Senior Choir was heard in the anthem, "Incline Thine Ear."

Rev. A. Packman delivered an inspiring sermon on "Thy Neighbour As Thyself."

Fraternal Visit

R. E. Fox, Grand High Priest of the Grand Encampment of Ontario, Ray Rose, Thos. Spry, Ivan Sine and Harold Johnston, attended a district Encampment meeting in Oshawa Saturday afternoon and evening.

Couple Honoured Prior To Trip

On Sunday afternoon Mrs. H. C. Secker was hostess at the Rectory to Mr. Fred Houchin, Superintendent of St. John's Anglican Church Sunday School, and Mrs. Houchin; Mr. and Mrs. Joe Whitehead, Mr. and Mrs. George Noble and Mr. and Mrs. Ralph Andrews. Mr. and Mrs. Peter Clarke were unable to attend owing to illness in the family.

A pleasant hour was spent in talking of the anticipated extended tour of England and the Continent, which Mr. and Mrs. Houchin are taking soon, as members of a group of Post Masters from every part of the Dominion who will tour the Continent for six weeks.

The Rector spoke on behalf of the teachers and wished Mr. and Mrs. Houchin a pleasant holiday. Mrs. Secker served delicious refreshments.

Home and School Association Met

A meeting of the Stirling Public School Home and School Association was held on Monday evening, April 18th with a fair attendance. The President, Mr. W. Brown, opened the meeting with the singing of "O Canada," with Mrs. Lorne Watson, music teacher for Stirling Public School, at the piano.

After the business meeting the programme convener, Rev. W. G. Fletcher, took charge when pupils of Grades V and VI rendered several vocal selections under the leadership of Mrs. Watson.

Mr. Ralph Andrews also favoured the gathering with a recording. Master Donald Armstrong presented a cornet solo, accompanied by his sister, Miss Marlene Armstrong.

After a vote of thanks was tendered to the artists the evening closed with the singing of the National Anthem, followed by a light lunch.

The next meeting will be held on May 9th when a fun night is being planned.

Daylight Saving Goes In Effect Next Sunday

By resolution of the Village Council Stirling will go on Daylight Saving Time next Sunday morning, April 24th, at 12:01 a.m.

Citizens should remember to advance their clocks one hour before retiring Saturday night, if they wish to be on time for church services Sunday morning.

Attend Banquet

Mrs. Robt. Luery, Capt.; Mrs. A. O. Dalrymple, Lieut. and Mrs. E. Cain, Lieut., Girl Guide Leaders of the First Stirling Guide Company, attended the Mother and Daughter banquet of the 7th Guide Company of Belleville, held in Bridge Street United Church on Wednesday evening. Leaders of the Madoc Company were also in attendance.

Mrs. R. G. Coulter Delivers Inspiring Address To St. Paul's W.M.S.

The Easter Thankoffering meeting of St. Paul's Missionary Society was well attended. With quiet music played by the pianist Mrs. Robert Hulin, the President, Mrs. Geo. Carlisle, called the meeting to order and gave the Invocation and prayer.

A special Easter worship service, "Christ's Legacy of Peace," was used for the devotionals, with all members joining in responses. This service was led by Mrs. C. E. Eggleton, with the following as readers, Mrs. Morley Ayrhart, Mrs. J. Thompson, Mrs. E. G. Bailey, Mrs. Elmer Post, Mrs. James Hough and Mrs. V. Richardson.

The thought was stressed that, though many paths to Peace have been tried,

yet there remains one path as yet untried, the path of Love, which Christ pointed out as the only highway to joy and peace and abundant living — fruits of a Christ-like spirit.

An inspiring solo, "From your lips to the ears of God," sung by Mrs. Francis Jeffrey made a suitable ending for the worship service. She was accompanied by Mrs. C. H. David at the piano.

Special Speaker

Mrs. R. G. Coulter, of Belleville, Secretary of Christian Stewardship for the Belleville Presbytery of the W.M.S., gave the afternoon address. She was warmly welcomed by the President, after being ably introduced by Mrs. Francis Jeffrey, who had known Mrs. Coulter previously as they had worked together in Holloway St. Church, Belleville, where Mrs. Coulter is President of the W.M.S. Auxiliary as well as a Presbyteral Secretary. Mrs. Coulter is well known in Stirling, having been a graduate of Stirling High School. Accompanying Mrs. Coulter were Mrs. Fred Wilson, 1st Vice-President of Belleville Presbytery and Mrs. Walter Jeffrey, a former resident of Stirling.

Mrs. Coulter spoke of the vast extent of the work carried on by the Woman's Missionary Society, on the home field and overseas, and stressed the need of more workers — 25 more in Canada and 17 overseas. We also have to fill 25 replacements.

The speaker also stressed the need of letting others know more about the grand work of the W.M.S. in evangelizing, healing, and educating. Unfortunately, in the work overseas this year, half the grants had to be cut for lack of adequate funds, and no grant went to Korea. Therefore, we are urged to do our utmost to send in good used clothing for the bales for Overseas Relief.

It is so easy for us to call ourselves Christians, but little do we know of dire need, such as the Korean Christians experience. There would be no lack of either leaders or funds if all Christians assumed their responsibility as such. Easter teach-

Donald Downey Killed In Crash

Donald Downey, 23, of Crookston, Huntingdon Township, son of Mr. and Mrs. Robert Downey, was killed early Sunday morning when the car in which he was riding went off the road on a curve on the Madoc-Foxboro County Road, one quarter of a mile north of Moira Lake, crashed into a telephone pole and rolled over in the ditch.

Observe Their 25th Anniversary

On Sunday, April 17th, Mr. and Mrs. Hiram Ashley were at home to their relatives and friends on the occasion of their 25th wedding anniversary.

At the Ashley home, on the First Concession of Rawdon Township, Madoc Junction, where the couple have resided since their marriage, a spirit of happiness prevailed on Sunday afternoon and evening, when relatives and friends assembled to extend congratulations and best wishes.

Those who poured tea and served were Mrs. Harry Clarke, Mrs. Seymour Ashley, Miss Grace Clarke and Mrs. Bert Reidie.

Mr. and Mrs. Ashley were the recipients of several lovely gifts and many beautiful anniversary cards and messages of congratulations. His grandson, Mr. Seymour Ashley, with his flash camera, took several pictures.

Relatives and friends were present from Belleville, Batawa, Foxboro, Harold, West Huntingdon, Roslin and Stirling; also many from the home neighbourhood.

As us the full meaning of the gift of God's love, and whatever special gift is ours, that gift is needed in the extension of God's Kingdom. Casting aside many non-essential activities (Continued on page Seven)

Native of Stirling A. R. Girdwood Died Friday

Reeve of the Town of Barrie, member of the Council of the County of Simcoe, and Principal of Barrie Collegiate Institute for more than 25 years until his retirement in 1945, Arthur Reginald Girdwood died suddenly at Guelph on Friday afternoon, April 15th. While curling in a teachers' bonspiel he was stricken with a heart attack and passed away shortly after in Guelph General Hospital. He had been suffering for several years from heart trouble.

Funeral services were held at four o'clock Monday afternoon at Collier Street United Church, Barrie. Interment took place in Ottawa.

Besides Mrs. Girdwood, there are surviving two sons, Arthur, of Guelph, and William, of California, and one daughter, Barbara (Mrs. D. P. McKinley), of Ottawa, and five grandchildren. A sister, Mrs. Edna Jackson, of Belleville, also survives.

Mr. Girdwood was in his 74th year. Born at Stirling he was educated in the local schools and graduated in Mathematics and Physics in 1902 from McMaster University.

He taught at Forest, North Bay, St. Catharines and Parry Sound before (Continued on page eight)

Youth Service At St. Andrew's

The local Boy Scouts, Cubs, Girl Guides and Brownies will attend a St. George's Day Service at St. Andrew's Presbyterian Church on Sunday, April 24th at 11:00 a.m. All parents and committee members are asked to keep this date in mind and attend church with the children.

The members will dress in full uniform and will meet at 10:30 a.m. at the local Public School from where they will parade to the church.

Car and Truck

In Collision

Considerable property damage resulted from a truck-car collision about noon on Tuesday opposite the Stirling Community Hall, Front St. According to the police, Ray Keating, R.R. 3, Frankford, was backing his truck away from the curb and collided with a car driven by Charles A. Brown, salesman, of Kingston, resulting in fender and body damage to the car. Chief S. W. Eggleton investigated the accident.

Mr. and Mrs. W. L. Pollock, Church Street.

Mr. and Mrs. Sanford Hubble, of Belleville, and Mr. Wm. Hubble, of Deseronto, were Wednesday afternoon visitors of Mrs. Janet Utman.

Friends of Mrs. Harry Fanning's sister, Mrs. Elizabeth Moran, of Stockdale, will be pleased to learn that she is improving nicely from her recent illness.

Mr. and Mrs. W. L. Pollock and Mrs. Ray Moran, Frankford, and Mrs. Merrill, of Campbellford, visited relatives in Ripley and Kincardine last week.

Mr. and Mrs. R. R. Goldsmith and Locke, of Wasaga Beach, were visitors at the homes of Mr. and Mrs. Gordon Nelson and Mr. and Mrs. James Bailey and family, last week. They also called on Mr. Ewart Bailey, who at that time was a patient in the Belleville General Hospital.

Capt. and Mrs. Arthur Gould and family, of Ottawa; Mrs. Henry Cooke, Stirling, and son Carl, of Sarnia, and Mr. and Mrs. Grant Cole and family, of Corbyville, were recent Sunday guests of Mr. and Mrs. R. E. Gould, River Valley.

Mr. and Mrs. H. A. Kerr, of Toronto, were weekend guests of Mr. and Mrs. H. C. Martin. They were accompanied home by their children, Eleanor and Brian, who have spent the past two weeks with their grandparents.

Mr. and Mrs. Del. Rowe, Gary, Gordon and Bonnie, of Holloway, were recent visitors at the home of Mr. and Mrs. W. L. Pollock, Church St.

Banquet To Be Held At Queensway Hotel, Trenton, On Tuesday, April 26th

Carol Lane, leading authority on touring for women, will speak on the topic "An Open Mind for the Open Road," before the Stirling Rotary Club Annual Ladies' Night on Tuesday, April 26th, it was announced today by President Ralph W. Vandervoort.

Miss Lane, who is women's travel director of the Shell Oil Company of Canada, travels more than 50,000 miles a year. In her talk here, she will tell how her personal approach to travel can help women make motorcycling easier and more pleasant. In addition, Miss Lane will tell about a new trend in travel — motor meandering — the discovery of little known places along the back roads; how to plan "Tourettes" (week-end vacations); how to make travel "an adventure in learning;" and how to plan a travel budget.

One of the highlights of Miss Lane's talk will be a visual demonstration of how to plan a two-week vacation wardrobe. She will show her four basic costumes for any two-week vacation and explain how they can be mixed and matched to provide a complete travel wardrobe, based on her booklet, "Vacation Dress-O-Graph." Her planned basic costume wardrobe includes her latest fashion innovation "Geometrics-On-The-Go" — arithmetic accessories to dress-up and augment the average woman's vacation wardrobe.

Often called the "first lady of touring," Miss Lane answers thousands of queries yearly concerning travel problems. On her trips across the country she searches out new practical ways of solving these problems and personally tests her results. She is noted as the author of a newspaper column called "Tips On Touring," numerous magazine articles, and such helpful booklets as "Travel a la Car."

Dr. Chas. Totten Native of Wellman's Died In Regina

Relatives have received word of the death of Dr. Chas. Totten at Regina, Sask., on Wednesday, April 20th. The burial will take place at Sarnia, Ont., on Sunday afternoon. His widow is the former Lena Johnston, of Mount Pleasant. Dr. Totten was the son of the late Mr. and Mrs. Robt. Totten, of Wellman's.

To Tour Europe

Tuesday, April 19th, a group of Canadian Postmasters and their wives sailed from Wolfe's Cove, Quebec City, for Southampton, on the first leg of a journey that will cover a great deal of sightseeing during a month of holidaying in Europe.

Among those making the tour are Postmaster Fred Houchin, and Mrs. Houchin, of Stirling, and Mr. and Mrs. J. M. Ferris, of Campbellford.

From England the group will be conducted through Belgium, Holland, Germany, Switzerland, Italy and France, with stopovers from one to several days in the great cities of the Continent, including London, Amsterdam, Lucerne, Venice, Rome, Cannes and Paris.

To Visit Old Home

Mr. and Mrs. Houchin will be spending a few days at the home of the former at Brighton, Sussex, Eng., before leaving for the Continent, and expect to be away about seven weeks, returning on June 4th.

During the absence of the Postmaster Miss M. E. Hulin, the Assistant Postmaster, will be in full charge of the local office.

read a story, "One Who Shared Easter," by Margaret Sherwood. The thank-you letters were read, calls recorded and print quilt blocks and patches are needed.

The three delegates, Mrs. W. G. Fletcher, Mrs. J. Mulheron and Mrs. Herbert Smith, each reported one session of Belleville Presbytery. The special guest speaker was Dr. L. Winifred Bryce, M.A., Ph.D., who has served forty years as a Missionary to India, is now retired and she and her husband, Dr. George Bryce, have been real friends of the people of India.

The Scriptural Lesson was read by Mrs. E. Foster and was taken from the Gospel according to St. John, chapter 20. This also had the Easter story. The report of the Treasurer was given by Mrs. R. A. Hermiston. She read a note from Miss Nesbitt who reminded the members of the allocation. In all things let us be thankful.

The report of the Synodical held at Galt was given by Miss Genia Spy. The theme of the opening meeting was "Behold now is the time. There are wide open doors of opportunity. All W.M.S. members should strive to do three things pray, witness and share the gospel to the whole world. In closing the time is now."

The Easter offering was taken by Mrs. R. A. Hermiston. Gaily decorated envelopes had been handed to the members and to the Home Helpers. A generous offering will be deeply appreciated.

The second part of the meeting was presided over by Miss Spy. All joined in singing the hymn "Jesus Christ Is Risen Today." A piano solo was played by Miss Carol Ray. Music enhances the spirit of the meeting.

Gives Paper

A paper, "A New Season At Easter," was given by Mrs. Ken Ray. April is the type month of spring. It is the hour of awakening for nature is unfolding leaves on trees and flowers. The world is full of miracles and mysteries. Let us at this time kindle in our hearts a true love for one another so that we may be able to carry out the motto of the synodical which was "Now is the time, the world for Christ."

A solo, "The Blessed Lord Was Crucified," was sung by Mrs. O. Clapier, accompanied at the piano by Mrs. Vernon Matthews. The hymn, "O Day of Resurrection" and the benediction brought the meeting to a close.

A delightful afternoon tea followed. Mrs. Ken Ray, Miss Spy and Mrs. O. Clapier combined to make most generous hostesses. The thanks of the Society was expressed to Mrs. Ray and her helpers by Mrs. E. Cain.

At 340 noon there are as many or more motor vehicles in Toronto alone as in any province except Quebec.

Observed 70th Anniversary

The immediate family of Joe Grills, of Stirling, met at the home of his daughter, Mrs. Jack Johnson, of Hastings, to celebrate with him his 70th birthday on April 7th.

Mr. Grills, who is very well known, was born on the English Line farm, now owned by his brother, Garnet. For the past 45 years he has resided at Carmel and has always been a very active member of Carmel United Church.

The evening was spent in playing progressive euchre. The prize winners were as follows: Ladies high, Mrs. Clayton Cole, of Norham; ladies' low, Mrs. Jack Billen, of Burnbrae; gent's high, Mr. R. Banon, Campbellford; gent's low, Mr. Garnet Grills, of Stirling.

Presentation

An address was read by his oldest grandson, Bill Johnston, and Mrs. Gerald Crowe, youngest daughter, presented her father with a billfold of money which was a gift from his sons and daughters. An Oddfellow's ring was also given by relatives.

Mr. Grills thanked his family and relatives for their kindness. Mr. Jack Billen, of Burnbrae, led in singing

"Happy Birthday" and "For he's a jolly good fellow."

About 45 relatives sat down to card tables in the living room which was decorated for the occasion with Easter lilies, daffodils and pink and white candles, with the centre of interest being a large birthday cake with 70 coloured candles.

Congratulations were also received from Rev. and Mrs. A. E. Baker, of Smooth Rock Falls; Mr. and Mrs. Dan Owen, of Whitby; Mr. Donnie Johnson, of Stadacona, Halifax, all wishing Mr. Grills many more years of health and happiness.

Honoured On Golden Wedding Anniversary

Mr. George A. Chrysler and Maude Hughey, of Cardiff Township, Haliburton County, were married in Bancroft on April 17th, 1905 with Rev. R. J. Bales of Bancroft, officiating. The best man was the late R. W. Huston and the bridesmaid was Bertha Chrysler, who now resides in Englehart, in Northern Ontario.

Mr. and Mrs. Chrysler have seven children, four boys and three girls, all living. They are Arthur, of Westbrook, Ont.; Mrs. Samuel (Vivian) Laundry, of Bonarlaw; Raymond, of Campbellford; Mrs. Thos. (Pauline) Hinds, of Wellman's Corners; Mrs. Carroll (Christena) Sharp, of Hoard's Stations; Earl, of Roseneath, and Loyal, of Campbellford. They have 23 grandchildren and 9 great grandchildren.

The family was all present except one nephew and one son-in-law. The table was tastefully decorated for the occasion with golden 'mums' and the centre piece was a three-tiered wedding cake made and decorated by one of the daughters, Mrs. Thos. Hinds.

The honoured couple were the recipients of many beautiful gifts and cards. A buffet lunch was served. Mr. and Mrs. Chrysler were completely taken by surprise and a social evening was enjoyed by all.

Mr. and Mrs. Chrysler resided for

a number of years in Highland Grove and Paudash, and now reside on Grand Road, Campbellford.

Want High School At Frankford

Appointment of an educational consultive committee of Warden James Sprack, Frankford Reeve George Montgomery and Deputy Reeve Byron Harder of Sidney was made at Hastings County Council.

The committee was appointed at the request of Reeve Montgomery to investigate the high school situation in the Frankford district with the view of determining whether it was possible to form a high school at that village.

Reeve Montgomery said his municipality believed it was paying too much for high school education with students being transported to Belleville. Due to the long distance to travel many students dropped out of school.

The idea was to investigate the nearby municipalities to see if there were enough high school students to get a high school at Frankford.

St. John's Guild

The April meeting of St. John's Anglican Church Ladies' Guild, was held in the Parish Hall on Tuesday, April 5th, with the President, Mrs. B. Woodbeck, presiding.

Following the opening hymn, Rev. H. C. Secker led in prayer and the Guild Prayer. Mrs. H. Tanner gave the Treasurer's report. Roll call was answered by 13 members.

The President called on Mrs. E. Gould, who opened the programme with a reading by Mrs. H. Rodgers, "Thoughts of Good Friday." This was followed by a very interesting talk by Rev. Secker on "Why am I an Anglican." The President thanked Mr. Secker for his talk, which was much enjoyed by all present. Hymn 164 was sung and Mr. Secker closed the meeting with prayer.

An outstanding advantage of Gyproc Fireproof Wallboard is that now the joints can be flush-filled with joint filler and rendered *invisible*. No longer is it necessary to use panel strips. Walls and ceilings of Gyproc can be made smooth and even with no trace of the joints.

And consider these other reasons why you should use Gyproc for all walls and ceilings:

- FIREPROOF—therefore safe
- PERMANENT AND DURABLE—therefore economical
- WILL NOT CRACK, WARP, SHRINK OR SWELL
- SMOOTH, DUST-FREE SURFACES—easy to keep clean
- TAKES ANY TYPE OF DECORATION—no monotony
- THE LIGHTEST WEIGHT GYPSUM WALLBOARD made in Canada

GET GENUINE GYPROC Identify by this two ways:

1. Look for the name GYPROC on the back of every board.

2. Look for the Green Stripe on both side edges. Accept no substitutes.

A.C.W.W. has been associated with F.A.O. since its foundation in 1945. Two-thirds of the world is underfed and with world population on the increase there is grave danger of our food supply becoming scarce.

Petherick's

Mr. and Mrs. Lindsay Anderson and Linda and Mr. Geo. Anderson spent a few days the past week visiting friends in the neighbourhood.

Mrs. Ernest Irwin and Mrs. Chas. Stewart spent Saturday in Toronto and attended the Ewen — Lewis wedding.

Mrs. Carolyn Wright is visiting Mr. and Mrs. L. Anderson, of Miliken, and friends in Toronto this week.

Dr. and Mrs. Don Barnum and family, of Guelph, spent the weekend with their parents, Mr. and Mrs. Fred Barnum.

Play Well Presented

The play entitled, "The Strike of the Ladies' Aid," presented in the Hall by fifteen Zion ladies for the benefit of the Sunday School, was attended by one of the largest crowds gathered in the Hall, with every available space being occupied.

Rev. G. Whitehorn was chairman and introduced Mrs. Fred Barnum who introduced each lady of the cast. They were dressed in old-fashioned clothes and hats.

The first act showed the ladies quilting and various gossip and singing. When the quilt was finished a discussion followed regarding raising money for their new Sunday School building. They finally decided to go on strike and not cook for their husbands until they would give a substantial donation.

The second act resulted in a report of the strike by each member.

Between acts Mr. Don Baldwin rendered two songs. A comic song was also rendered by Mr. Eldon Petherick. Beverley and Betty Linn gave a dance number.

Lunch including an abundance of pie was served at the close. A vote of thanks to all who had contributed to the success of the entertainment.

was given by the Superintendent of the Sunday School Mr. Aylmer Pethrick.

Much credit is due Mrs. Don Kerr who faithfully worked on this play and was assisted by Mrs. F. Barnum. Proceeds at the door were \$113.00.

Mount Pleasant

Mr. Gordon Reid, Belleville, visited Mr. and Mrs. Ernest White and family, on Wednesday.

Mrs. James Menzies, Mr. and Mrs. Cecil Nelson and Mr. and Mrs. Percy MacMullen spent Sunday afternoon in Campbellford with the former's niece, Mrs. Frank Osborne. Early Friday morning Mr. Osborne died at the age of fifty-seven. His widow was the former Eleanor Hubble, of Pump St., Mount Pleasant. The funeral was held on Monday afternoon under the auspices of Campbellford Legion.

Mrs. Earl McMaster and children Ivanhoe, spent Friday with her mother, Mrs. Blake Sharp.

Mr. and Mrs. Earl Ruttan and Marie Kingston, spent the weekend with Mr. and Mrs. Clifford Sine and Doris.

Mr. and Mrs. Frank Lain and family, of Bridgenorth, spent a few days with Mr. and Mrs. Herbert Smith and other relatives.

Mr. and Mrs. Forde Stapley and children, Madoc Junction, spent Sunday with Mr. and Mrs. Cyrus Summers.

Mrs. Sid Demorest, Herbie and Bettie, of Stirling, spent Friday with her mother, Mrs. Percy MacMullen.

Mr. and Mrs. Sid Williams received word of the marriage of their youngest son, Able Seaman Robert Keith Williams and Miss Hazel Ringier at Halifax, N.S., on Saturday, April 16th.

Mr. and Mrs. Erven Bateman of Thomasburg, were guests of Mr. and Mrs. Ed. Richardson and family on Sunday. Teddy and Karen Richardson returned home after a holiday with their grandparents.

Mr. and Mrs. Roy Thrasher were recent dinner guests of Mrs. James Thompson and family, Campbellford.

Messrs. Ross and Ralph Jeffs and Mr. and Mrs. Percy MacMullen attended the annual church service of Stirling Lodge, I.O.O.F., No. 239 and Laurel Rebekah Lodge, No. 211, at St. Paul's United Church on Sunday morning.

Nancy Rowe, of Hoard's, and David McMaster, of Ivanhoe, spent a few days last week with their grandparents at Mount Pleasant.

Mrs. Herbert Smith entertained a few boys on Wednesday in honour of Roger Smith's birthday anniversary.

The Two-by-Two Club convened at the church hall Friday evening.

Mr. Ed. Richardson presided. Mrs. W. G. Fletcher read the Biblical Lesson. A Bible quiz and a relay game were enjoyed.

Mr. and Mrs. Blake Sharp and Bert spent Sunday at Ivanhoe with Mr. and Mrs. Earl McMaster and family.

Poi Carman Reid, Mrs. Reid, Diane and Karen, of Montreal, and Mrs. Sid Williams, spent Wednesday with Mr. and Mrs. Frank Emerson and Bill, of Moira. The Reid family left by train on Sunday for their return trip to Montreal.

Mr. and Mrs. Ed. Richardson, Brock,

Teddy and Karen, plan to move next week to their new home near Peterborough.

Some time ago Mr. Richardson accepted a position as manager of a tire company in a city.

Mrs. Edith Sharp and Jack and the former's granddaughter, Miss Shirley Douglas, spent Tuesday with Mr. and Mrs. Blake Sharp.

Mrs. Ross Jeffs attended the funeral of her cousin, Eleanor Jean Patrick, at Frankford on Wednesday.

Mission Band

The Sunbeam Mission Band convened at the church on Sunday morning. The Vice-President, Dianne McAdam, presided with Eleanor Smith as pianist. All sang the Mission Band Hymn and repeated in unison "The Purpose." Brock Richardson and Kelvin Sharp gathered the offering. A vocal trio was given by Gail Scott, Freddie McAdam and Dianne McAdam.

Mary Ellen David read a selection. Mrs. Ed. Richardson outlined the study book entitled, "The Tiger Hunt." The worship opened with "Birds Are Singing." Ray Spencer read the Bible Lesson and Mrs. J. Holmes offered prayer. Mrs. Stan Williams read a story "The Resurrection." The service closed with an Easter hymn.

Mrs. Milford Wrightman has been spending some time with Mr. and Mrs. Frank Wrightman, Trenton, owing to ill health. On Saturday evening the Wrightman family at Mount Pleasant had a pleasant surprise when they received a telephone call from Pte. Burton Wrightman. For some time Burton has played a bell in the Headquarters Band. Petherick's

(Held over from last week)
Congratulations to the bride and groom, Mr. and Mrs. J. McQuarrie (nee Marjorie Hay), of Belleville.

Sion Church was filled Sunday morning for the Easter service. Rev. G. Whitehorse and Mr. and Gordon Whitehorse took for his text

"As it began to dawn toward the first day of the week." The choir was assisted by Mrs. Albert Case, Toronto, who rendered a solo, "Calvary." Mr. Don Baldwin, of town, also sang "The Holy City." These solos were much appreciated.

Rev. G. Whitehorse and Mr. and Mrs. D. Baldwin and family were din-

ner guests of Mr. and Mrs. Carl Linn on Sunday.

Mr. and Mrs. Albert Hay and family attended the marriage of their daughter Marjorie to Mr. John McQuarrie, in Holloway Street Church, Belleville, on Tuesday. Miss Harriet Fry and Miss Fern Tinny were guests at the wedding.

Sympathy of the community is extended to Mrs. Chas. South, in the death of her sister, Mrs. Clark, of town.

Mr. and Mrs. Jack Watson and family were guests of Mr. and Mrs. Bert Wallace, of Trenton, on Sunday evening.

Mr. and Mrs. G. Wallace, Judy and

Elwood Irwin, of town, spent Sunday with their parents, Mr. and Mrs. Ernest Irwin.

Mr. and Mrs. Albert Case and Shar- on, of Toronto, were guests of Mr. and Mrs. Fred Barnum over the weekend.

Mr. and Mrs. Murray Heath were dinner guests of Mr. and Mrs. Ernest Petherick on Sunday.

Bonnie Wallace, of Trenton, is visiting her cousin, Barbara Watson, this week.

Miss Rena Thomson, of Toronto, spent the weekend with her parents, Mr. and Mrs. John Thomson.

Miss Bernice Wright, of Kingston, spent the weekend with her father, Mr. H. Wright and Marion.

(Held Over From Last Week)

Mr. and Mrs. Fred Elliott, of Belleville, spent a few days last week visiting relatives in the community.

Mr. and Mrs. Joe Bennett and children, of Cobourg, called on Mr. and Mrs. Bob Spencer one evening last week.

Mr. Percy Reid is in Kingston General Hospital, where she underwent an operation on her foot on Monday. We wish her a speedy recovery.

Mr. and Mrs. Clarence Thomson and children, Mr. and Mrs. Lloyd Anderson and Mrs. Lizzie Thomson, were Sunday visitors of Mr. and Mrs. Geordie Sutherland and family, Stirling.

Mr. Jack Duncan and friend, of Hamilton, were overnight guests at the home of his uncle, Mr. Thos. McKeown.

Mr. and Mrs. Will Morton and family and Mrs. Ellis Jones, attended the shower for the newly-weds, Mr. and Mrs. Jack Morton, in the Legion Hall, Campbellford, on Tuesday night.

You would almost think we had enough winter and all the snow that went with it around Rylstone the past season, but two men whom we have always thought of as knowing "What's What," were seen driving a team of horses on a sleigh round and round the bare barnyard one day last week. The sleighing must have been a little tough!

Spring's work has started around our community.

Mr. and Mrs. Percy Mumby were Sunday evening callers at the home of their niece and nephew, Mr. and Mrs. Ellis Jones.

Visitors at the home of Mr. and Mrs. Wilfred Spencer for Sunday night supper were Mr. and Mrs. Clarence Thomson and family, Miss Marilyn Bateman, of Springbrook, and Doug Doohier, of Campbellford.

Mr. and Mrs. Howard Finch and Wesley were supper guests of Mr. and Mrs. Lindsay Johnston in Campbellford on Thursday.

Donnie Heath is on the sick list and under the doctor's care.

Mrs. Lily Anderson has been spending some time in Peterborough with her sons Lorne and Clarence.

Canada was the first country in the world to adopt the standard time system that is now in universal use.

St. Paul's W.A.

The April meeting of St. Paul's United Church Woman's Association was held in the Church Fairlawn on Tuesday, April 6th with an attendance of 38. The meeting opened with the theme song, followed by prayer by the President, Mrs. E. Warren.

The minutes were read by Mrs. R. Lucy and the Treasurer's report by Mrs. H. Wells. The Good-Will Secretary, Mrs. P. Utman, read several thank you notes from people who had been remembered during the last month. Mrs. Guy Bradshaw and Mrs. Lorne Wilson were the March Calling Committee and with other members reported 33 calls. The April Calling Committee are Mrs. H. David and Mrs. H. C. Bird. An invitation was read from the W.A. of Batavia regarding their Cooking School. The members were again reminded of the urgent need of good used clothing for United Church Depot.

Mrs. Leonard Wannamaker convened the programme. Mrs. H. C. Martin, Mrs. Packman and Mrs. L. Floud took charge of the devotions, from which the group enjoyed an impressive Easter message. Mrs. Wm. Wilkins favoured the group with a solo, "The Holy City."

Mrs. W. T. Elliott was the speaker for the afternoon. She gave an outstanding Easter message. Mrs. Elliott followed her talk with slides which she had collected on a recent trip to California. These pictures depicted the vision of Dr. Eaton, who had turned a neglected cemetery into a thing of beauty now known as Forest Lawn Park.

Mrs. J. B. Thompson thanked Mrs. Elliott and all those who had assisted in any way in making the afternoon so interesting and inspiring. Dr. Packman also expressed a vote of appreciation on behalf of the group.

Refreshments were served which brought the meeting to a close.

Wellman's W.M.S.

The April meeting of Wellman's W.M.S. was held at the home of Mrs. G. Watson with a good attendance.

The worship service, based on the theme "Christ, the Hope of the World," was given by the President, Mrs. J. Carlisle, assisted by Mrs. G. Clancy and Mrs. Clifford Clancy. Easter readings were given by Mrs. J. Dunham and Mrs. D. Clancy. Mrs. K. Tompkins, playing her own guitar accompaniment, sang "Near the Cross." Mrs. G. W. Fletcher and Mrs. L. Watson sang a duet, "Alone." "God Sees the Little Sparrow Fall," was sung by Miss Anne Watson.

Mrs. W. G. Fletcher brought some highlights of the Belleville Presbyterian W.M.S. meeting. The meeting was closed by the singing of an Easter hymn and prayer by Rev. W. G. Fletcher.

A delicious lunch was served by Mrs. G. Watson and her assistants.

Need For More Part Time Jobs

"I feel that providing more part-time job opportunities for school children is something that should be studied very seriously by industry and commerce in co-operation with all three levels of government." Hon. James N. Allan, Ontario Minister of Highways, declared in lauding what daily and weekly newspapers are already doing in that regard.

"Our Ontario daily and weekly newspapers are setting a fine example," he said, "in helping to provide boys and girls, too, with character-building part-time jobs. They earn pocket money and, at the same time, take some of the financial pressure off their parents."

"As is right and prudent, we find means to do much for delinquent youths. However, I often wonder if we are doing enough for young people who are firmly set on the road to useful citizenship. The risk with them is not that they will fall into evil ways so much as that we may fail them. That is, not offer them help and understanding they deserve when they need it most."

Hon. Mr. Allan pointed out that democracy in Ontario is based on Freedom of the Press which helps to bulwark such values as tolerance, concern for the unfortunate, and partnership in carrying out of the duties of citizenship.

He warned, however, that such blessings can be lost through taking them too much for granted, and he urged more appreciation of community newspapers and the splendid service they continually render as a matter of duty. The high standards of journalism in Ontario he declared, are due to newspaper people operating under self-imposed codes of ethics which put the golden rule into daily practice.

NEWS FOR THE BUSY FARMER

FEED SELDOM CAUSE OF POULTRY LOSSES

Harmful ingredients in foods are rarely the cause of serious declining performance or mortality in poultry flocks, states C. R. Phillips of the Plant Products Division of the Federal Department of Agriculture. When losses occur, a few affected birds should be submitted to a poultry pathologist for laboratory examination, because the cause of death in nearly all cases is disease.

It is recognized that poultry diets are sometimes deficient in vitamins and minerals, which may affect the health of the birds. Such health changes, however, do not occur overnight, and an observant poultryman will notice these changes before they reach serious proportions.

A change of feed when an outbreak of disease has arisen in the flock, has often been credited for the control. Actually the disease has run its course as it would have done on the original feed and valuable time is lost when corrective action probably could have been taken had a poultry specialist been notified.

UNLICENSED VARIETIES OF CERTIFIED SEED POTATOES CANNOT BE SOLD

Under the Seeds Act the sale of certified seed potatoes of unlicensed varieties is prohibited in Canada. The Regulation covering this reads "Seeds or plants of potatoes shall not be advertised, offered, sold or had in possession for sale for the purpose of seeding or planting in Canada, unless such variety is licensed for sale by the Minister."

It has recently been noted, states the Chief of the Plant Protection Division, Department of Agriculture, Ottawa, that in the Prairie Provinces certified seed potatoes of unlicensed varieties are being imported by firms who wish to resell them. This is a contravention of the regulations. Practically all the older established varieties are licensed and to avoid contracting the regulations importers who are anticipating the resale of imported seed should ascertain whether or not the variety is licensed. A list of licensed potato varieties may be obtained from the local representative of the Plant Protection Division, or directly from the Chief of this Division in Ottawa.

It is also pointed out that importation of potatoes from countries other than the United States is, in general, prohibited or restricted and an import permit is required in advance. To encourage a population growth, in the early days of French Canada, a father was subject to a fine if he had a son unmarried at age twenty or a daughter unwed at age sixteen.

Last year the sale of foreign products in the Canadian market exceeded the sale of Canadian goods abroad by \$146,000,000.

Ont. Hog Producers Approve of A Co-operative

Ontario hog producers have approved the establishment of a co-operative which will act as the Selling Agency for their hogs. This took place at a special general meeting of their organization held in Guelph on April 13th, attended by some 300 delegates from all over Ontario.

This meeting followed their Annual Convention by just five weeks, for at that time the executive were instructed to set up the co-operative which has just been approved. This action was taken because some members were critical of the fact that United Livestock Sales — which has acted as Selling Agency for the producers for the past two years — was a private company and had made substantial profits.

Under the new set-up which will become operative the end of May, every person who sells hogs for slaughter will automatically become a member of the co-operative which in turn means he will be eligible to receive a share of any net surplus from the operation of the co-operative, in proportion to the number and quality of hogs sold.

Reporting to the meeting, Charles McInnis, President of the Ontario Hog Producers' Association, said he was pleased to report that the Ontario Government had co-operated in amending the Farm Products Marketing Act to take care of changes which had been considered necessary. With the new provisions in the Act and the establishment of the new Co-operative Agency, it was felt that the whole marketing machinery for handling hogs had been greatly strengthened and improved.

St. Paul's W.M.S. Meeting

(continued from page one) we should earnestly strive for "whatever things are good, whatsoever things are pure and of good report," in our daily service for Christ.

Mrs. Robert Patterson graciously expressed thanks to Mrs. Coulter for her splendid talk, closing her remarks with the Mexican word of goodbye, "God keep you friend, in grace and health, until we meet again."

Business

Minutes and roll call were read by the Secretary, Mrs. David Lueray. The Treasurer, Mrs. E. G. Bailey, reported giving for March of \$31.90, and \$6.69 on hand in the expense account.

There was some discussion as to some means of increasing the expense funds but nothing was definitely decided upon. Miss Della Caldwell mentioned the need for articles to make up the lobbies which was to be sent from the W.M.S. for the bale.

Christian Citizenship

Mrs. Volney Richardson, Secretary of Christian Citizenship, spoke to some length on gambling — its origin and effect. The church frowns on raising money for a good cause by improper methods. This does not justify the poor method." "Does it matter if we raffled off a cake?" asked Mrs. Richardson. Even in a small sense we foster gambling, and gambling in a small way may lead to gambling on a larger scale. In sweepstakes for hospitals, of \$128 million taken in, expenses amounted to \$112 millions, and \$4 million tickets had to be sold. Sometimes the charities thus supported lose out in the long run as people become immune to the need of giving them assistance unless by some chance game of getting something out of their money they give.

Reading from a recent copy of Reader's Digest, we learn that the Americans pay one million dollars a year to play bingo. Man may say "this is mine and that is mine," and so do I as I please with what I own, forgetting that it is God who gave us that which we have, as a trust, and life itself is no game of chance, but one of Providential guidance. Gambling excludes that idea.

In closing, Mrs. Richardson stated what Christian Stewardship really means. "Christian Stewardship is the practice of systematic and proportionate giving of time, abilities and material possessions, based on the conviction that these are a trust from God to be used in His service, for the benefit of all mankind, in grateful acknowledgement of Christ's redeeming love."

A few women can do much, many women can be invincible in forming public opinion against gambling; or any other evil.

Dr. Packman, who was present for the latter part of the meeting, commended Mrs. Richardson for her timely remarks.

Mrs. Carlisle mentioned the Missionary for special remembrance and prayer. Miss Muriel Stephenson, in Neemuch, India, and asked all to

Are you quick to recognize a good bargain?

1 You are, if...

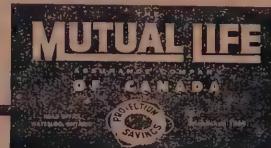

When you buy a suit you want to know more than the price. You consider the style, size, tailoring and material. You look at all the facts. You know from experience that only then can you make a choice that will give you the best for your money.

2

When you buy life insurance you consider more than the premium. You enquire about dividends, cash values and service. The size of the dividends and cash values determines the actual net cost of your insurance. Good service is important to the owner of every life insurance policy.

MRS. THOMAS ROBINSON

The funeral of Mrs. Thomas W. Robinson, of Osgoode, Ontario, was held from her late residence on Wednesday afternoon, April 13th, to the United Church with many relatives, friends and neighbours attending to pay their last respects. The church was filled to capacity and the large number of beautiful floral tributes testified to the esteem held for Mrs. Robinson in the community.

The late Mrs. Robinson was an active worker in the United Church and particularly in the Missionary Society, being president of the organization for thirty years. She died at the Coleman Nursing Home, Kemptville, on Monday, a week ago, following a stroke some time previous. She was a native of Ireland and was the former Rebecca Cranston. Her husband died some years ago.

Surviving are three brothers, John Cranston, of Kemptville; Andrew, Cranston, of Belleville; Robert Cran-

ston, of Springbrook; and two sisters, Mrs. Marry Benson, of Belleville, and Mrs. Frank Doxtator, of Shannaville.

The pallbearers were Clarke Murdoch, James Robinson, Stewart Cleland, Harold Taylor, Gordon Saunders and Harry Kerr.

Interment was in Rideau Vale Cemetery at Kars.

Sunday visitors with her parents, Mr. and Mrs. Norman Wannamaker, at Frankford.

Mr. and Mrs. Murray Heath and sons Lyle, Johnnie and Jerry, spent Sunday last with her parents, Mr. and Mrs. Ernest Petherick, at Petherick's Corners.

Mr. and Mrs. Clarence Thomson and family were dinner guests Sunday with her brother, Bob Spencer, Mrs. Spencer, and daughters.

Mr. and Mrs. Lindsay Finch were supper guests on Saturday with Mr. and Mrs. Gerald Burkitt and family, 12th Line.

Mr. and Mrs. Leslie Sweet and Mr. Harry Sweet motored to Chatham on Sunday.

Miss Lois Mason spent a few days last week in Syracuse, N.Y.

Mr. and Mrs. Arthur Reid spent the tea hour on Sunday with Mr. and Mrs. Cyril McKeown on Sunday evening.

Ivanhoe

Mr. and Mrs. Richard Burnett, of Sperling, Man., are visiting relatives here.

Wednesday visitors of Mr. and Mrs. Milton Shaw were Mr. and Mrs. Frank Wager and Jean and Mrs. Lucy Shaw, of Picton, and Mr. and Mrs. Wm. Shaw.

Mrs. Henry Wallace has spent the past week with Mr. and Mrs. Cecil Arthur Foxboro.

Mr. and Mrs. Bateman Tanner, of Madoc, spent Sunday evening with Mr. and Mrs. Wm. Shaw.

Mr. and Mrs. Roy Thrasher, Mount Pleasant, spent Sunday with Mr. and Mrs. Milton Shaw.

Mr. and Mrs. Reg. Haggerty have returned home, after having spent the past four months in Santa Clara, California.

Mrs. Geo. Foster, Moira, and Miss Betty Ketcheson, were recent guests of Mr. and Mrs. Wm. Shaw.

Miss Karen Bray, who has spent the past two weeks in Hospital for Sick Children, Toronto, is attending school again.

Salem W.A.

The regular meeting of Salem W.A. was held at the home of Mrs. Will and Mrs. Murney Johnston. The baby quilt was quilted by some of the ladies. There were 21 members present.

The president, Mrs. Holden, opened the meeting with the theme song and prayer. Hymn 105 was sung. It was decided to send \$7.00 to the Training School at Five Oaks. Plans were made for the sale on May 3rd at Scott's.

Mrs. L. Hagerman was in charge of the lovely Easter programme. Readings were given by Mrs. Twiddy, Mrs. Jackson and Mrs. Mayo. The meaning of the cross was given by Mrs. Thompson. Miss Linda Sine favoured with a couple of accordion selections. Marion and Shirley sang a duet.

At the close of the meeting Mrs. Gladys Sine and Mrs. Jannie Sine were each presented with gifts from the W.A., after which a social half hour was enjoyed by all.

Rylstone

Mr. and Mrs. Charles Stewart were Sunday visitors of their daughter, Mrs. Ernie Miller and family, and daughter Shirley Stewart, Trenton.

Mr. and Mrs. Wilfred Spencer and family were Sunday visitors with his uncle, Alfred Spencer, and Mr. and Mrs. Norman Rosebush, Havelock.

Mrs. Ellis Jones was a supper guest of her niece, Miss Berlie Spencer, in Campbellford, on Sunday, when Berlie entertained a few friends in honor of the birthday of her mother, Mrs. Harold Spencer.

Mr. and Mrs. Albert Holland and Stewart, of Havelock; Mr. and Mrs. Bill Donaldson and Susan, of Peterborough, and Mr. and Mrs. Ray Stewart, Glen and Marilyn, spent last Sunday with their parents, Mr. and Mrs. John Stewart, it being the occasion of Mrs. Stewart's birthday.

Mrs. Percy Reid returned home on Saturday from the Kingston General Hospital, where she underwent an operation about a week ago.

Mrs. Lily Anderson has returned home from Peterborough where she enjoyed a short holiday with her son Clarence and his wife and son Lorne.

Shower For Bride-To-Be

A linen and pantry shower was held on Tuesday evening at the home of Mrs. Grant Stapley in honour of Miss Joan Green, bride-to-be of next month.

The evening was spent in playing Court Whist with Mrs. Ernest Cain winning the high prize and Mrs. Allen Sine the low prize. The bride-to-be then opened a large array of gifts and very graciously voiced her sincere thanks.

A dainty lunch was served by the hostess, assisted by Mrs. Robert Hunter and Mrs. E. Green.

Couple Honoured By The Carmel Community

Friends of Mr. and Mrs. Russell Pyear gathered at the Carmel Church Hall on Friday night of last week to spend a social evening with them as they are moving to their place of business in Foxboro.

Mr. Harry Brown acted as master of ceremonies, and after a few remarks introduced the programme. Vocal solos were given by Mr. Jack Bush, Mr. Douglas Pyear and Lyle Couch. A vocal duet was rendered by Cheryl Utman and Donnie Armstrong. Piano duets were given by Joyce Bailey and Dorothy Johnston and Doris Grills and Mrs. Arthur Pyear. Readings were given by Jean Grills and Lyle Couch.

Mrs. Jack Armstrong read an address and Mr. Ernest Grills and Mr. Archie Bailey presented a walnut console table and a lamp to Mr. and Mrs. Pyear, who made suitable replies.

Lunch was served and a social time enjoyed.

Mrs. Pyear has been engaged as teacher in Foxboro Public School.

T.B. Clinic Here

Under the sponsorship of the Department of Health of the Province of Ontario a mass chest X-Ray survey is to be made of the people of the County of Hastings. This is a very commendable undertaking for the stamping out of Pulmonary Tuberculosis in our county. The service is free and is open to everyone (men, women and children).

The clinic will be held in Stirling on May 4th. The pupils of Stirling High School will be X-Rayed in the morning from 10:00 a.m. to 12:00 noon. In the afternoon the clinic will be open at the Community Hall from 2:00 p.m. to 5:00 p.m. and from 7:00 p.m. to 10:00 p.m. This will give ample opportunity for everyone to be examined and it is hoped that the citizens of Stirling will embrace this opportunity.

Remember, this wonderful service is free and no appointments have to be made. The examination of children by this X-Ray is particularly stressed and it is expected that many will be present.

Again the hours for examination are 2:00 to 5:00 p.m. and 7:00 p.m. on Wednesday, May 4th at the Community Hall, Stirling.

82nd Anniversary

Congratulations are extended Mrs. Idia McMullen, of Harold, who will observe the 82nd anniversary of her birthday on Monday next, May 2nd. She plans spending the day with her daughter, Mrs. Stewart Brady, and Mr. Brady.

Engagement

Mr. and Mrs. Clifford Clancy, of Harold, R.R. 2, wish to announce the engagement of their only daughter, Ruth Eleanor, to Mr. James Sheldon McIntosh, son of Mr. and Mrs. Sheldon McIntosh, of Stirling. The marriage will take place on the 21st day of May at the home of the bride's parents.

Attend Diocesan W.A. Annual

Among those from St. John's Church attending the Diocesan W.A. Annual held in Belleville on Wednesday were Mrs. M. Tanner, Mrs. Thos. Tanner, Mrs. H. Rodgers, Mrs. Ken Mumby, Mrs. Henry Cooke, Mrs. Everett Cooke, who is the official delegate, and Mrs. J. S. Whitehead, President of the St. John's W.A.

L.O.B.A. Holds Spring Tea and Bazaar

On Thursday, April 21st, the ladies of Stirling L.O.B.A., No. 655, held a successful Spring Tea and Bazaar. The tea tables looked lovely with yellow daffodils and yellow candles with lovely flowered serviettes to add a spring touch.

Mrs. Gladys McAdam was at the door while Mrs. Gordon Webb and Mrs. Henry Cooke welcomed the guests. Mrs. Bessie Rodgers, Mrs. J. Morrison, Mrs. Blanche Reid and Mrs. Frank Smith poured tea. The servers were Mrs. Doug Ackers, Mrs. Bob Merrick, Mrs. Lloyd Cooney and Mrs. Ernie Reid.

Mrs. Burton Woodbeck and Mrs. Maurice Clancy sold lovely home baking, brought in by the members; while Mrs. Nellie Woodbeck sold delicious candy.

The farmers' table was in charge of Mrs. Morrison and Mrs. Bob Danford, while Mrs. McComb and Mrs. Amelia Danford looked after the sale of fancy work. Mrs. Beaudrie and Mrs. Hinds were in charge of the kitchen, while Mrs. Clarence Fitchett made the Open Road.

In her address she gave numerous hints on how to make motoring vacations easier and more pleasant. "Half the fun of a trip is in the planning," stated Miss Lane, who listed many scenic wonders, historic sites and points of interest in this section of our country as "where to go and what to see." Budgeting was also an important part in planning a trip, continued the speaker, and could be classified as 36% for food, 32% for accommodations, 18% for entertainment and tips and 14% for gas and oil.

A highlight of Miss Lane's address was a demonstration on how to plan a two-week vacation wardrobe. She showed four basic costumes, from which a complete travel wardrobe could be arranged and demonstrated how it could be packed in a 26-inch travel case. Her latest fashion innovation "Geometrics-on-the-Go" — arithmetic accessories to dress up and augment the average woman's vacation wardrobe was also shown and proved interesting and instructive to the ladies.

The speaker was introduced by Rotarian Bill Cornett and Rotarian A. O. Dauplaine extended thanks.

A lucky draw prize — a lazy susan — was won by Mrs. D. R. Patterson.

The remainder of the evening was spent in dancing to music supplied by Jack Keane's Orchestra.

Sport dance prizes were won by Mrs. G. Bradshaw, Wm. Webber and Mrs. D. R. Patterson.

A professional director with stage and radio experience, who has had special training for the production, will be in charge of holding tryouts for amateurs and will work with the Legion on publicity and other phases of production, as well as conducting all rehearsals and teaching those in the minstrel part their special numbers.

There is no age limit for those who wish to be contestants and all types of talent will be auditioned by the director. Those having talent who wish to take part may contact Ray Tanner, President of the Legion, or they should watch the paper for announcement of when and where the tryouts will be held after the director arrives.

The show has played in many towns in the United States and Canada and has been enthusiastically received.

The color, variety, and comedy of "Show Time" make it a show which promises to be the biggest thing of its kind ever staged here.

Rotarians Entertain Wives And Friends At Turkey Dinner and Dance

Members of Stirling Rotary Club royally entertained their wives and friends at the Queensway Hotel, Trenton, on the occasion of their annual Ladies' Night on Tuesday of this week

Following a delicious turkey dinner President R. Vandervoort extended a gracious welcome to all and called on President-elect E. Warren to introduce the head table guests, including President Floyd Stringer and Mrs. Stringer of Trenton Rotary Club; District Governor C. F. Basil Tippett and Mrs. Tippett, of Toronto; Miss Carol Lane, President Ralph Vandervoort and Mrs. Amelie Danford looked after the sale of fancy work. Mrs. Beaudrie and Mrs. Hinds were in charge of the kitchen, while Mrs. Clarence Fitchett made the Open Road.

In her address she gave numerous hints on how to make motoring vacations easier and more pleasant. "Show Time" To Be Staged Under Auspices of Local Branch of Legion

The big fast moving stage show that uses all home town folks, has a colorful minstrel background and uses the top talent in the community, has been booked by the Stirling Legion and will be staged at the Community Hall on May 11th and 12th.

All types of amateur acts will be used including singers, dancers, musicians and impersonators. Although there is the exciting element of competition among the contestants who take part, still "Show Time" is not just an amateur contest in the strict sense of the word, for there is to be a minstrel circle of ten prominent local men who will impersonate such radio and stage favorites as Amos and Andy, Madam Queen and Miz Blue, Kingfish and Brother Crawford, Ball and Chain, Aunt Jemima, and Bluebird.

A professional director with stage and radio experience, who has had special training for the production,

Mr. and Mrs. James S. Barron, Sr. Observe 50th Wedding Anniversary

(By Florence M. MacMullen)

On Friday evening, April 22nd the home of Mr. and Mrs. James Barron, Sr., Fourth Concession of Rawdon, was filled to capacity with friends and relatives from the Bethel community and other points in honour of their fiftieth wedding anniversary. Mr. and Mrs. Barron came to their home here twenty-nine years ago with their family and have made many friends in Canada.

They have two sons, Staff Sergeant

John Barron, in charge of a work shop for civilians in Germany and James (known as Jim), who resides on the adjoining farm and one daughter, Mrs. Ira (Mona) David, of Mount Pleasant. Another son Roy is predeceased. There are ten grandchildren and three great grandchildren.

The wedding was held April 25th, 1905, in "The King's Hotel," Union Street, Aberdeen Scotland, and the brother and sister attendants have

both been war casualties. The bride, Mary Ann McGregor, daughter of the late Mr. and Mrs. John McGregor and the groom Captain James Barron, of "The Tiddich" and son of the late James and Jane Barron, were highly feted on this auspicious occasion. The bride has three brothers, John James and Alex, and one sister, Mrs. J. (Jessie) Tomen, all living in Scotland. The groom has a brother, John Barron, living in Vancouver, B.C.

The guests Friday evening were from Belleville, Stirling, Harold Mount Pleasant, and also included Mr. Frank Milne, of Worcester, Mass., and Mr. C. F. Lloyd, Harold, who is 94 years young.

Many Remembrances

Mr. and Mrs. Barron received a large number of greeting cards, floral bouquets from Mr. and Mrs. Dave Lamb, Stirling; Mr and Mrs. John Mulheron and Margaret, Mr. John Scott and their granddaughter, Mrs. Roy Wilkes, of Calgary, the former Mona Barron of Camp Borden. The gifts included a cuckoo clock from their son in Germany, a Duncan Phyfe extension table from their son Jim and family, a gold chenille bedspread and matching wool blanket with satin trim from their daughter and family, and a nice array of gold china cups and saucers, cake plates, tea pot and miscellaneous items.

Mr. and Mrs. Barron received their guests with the groom sporting a

white carnation and the bride wearing reversible blue crepe with a corsage of yellow roses.

The central theme was a three-tiered decorated cake flanked by candelabra and red roses.

The teen-agers tended a noisy charivari, followed by a humorous mock wedding. Mr. Harry Thomson, Belleville, with his bag pipes, piped the wedding march in and out with a selection of Scottish airs. Mr. John Mulheron sang "Roamin' in the Gloamin'" and in the recessional all sang "Every Girl Loves a Sailor." The wedding party were, Bride, John Ryan; Groom, Faye Hamilton, Belleville; Bridesmaid, Edgar McKeown; Groomsman, Mrs. Ray Sine; Flower Girl, Kenneth Broadborth; Minister, John Mulheron; Bride's Father, Mrs. Gordon Green. All wore suitable costumes for the occasion.

Councillor Ken Mumby was master of ceremonies for a short programme and spoke words of appreciation to the honoured couple. Mrs. Percy MacMullen recited a humorous selection and Mrs. Walter Warren sang "The End of a Perfect Day." Mrs. Thos. Laycock read greetings from Rev. and Mrs. T. F. Townsend, who had called that afternoon. Reeve Theodore Cooney spoke briefly. Mrs. Bruce Murray read a very appreciative address on behalf of those assembled, while Mrs. Edgar McKeown and Mr. John Ryan made the presentation of

St. Paul's Notes

(By Rev. A. Packman)

Honours are shared by St. Paul's with Mr. Harold C. Martin, who has been appointed by the Executive of General Council, as one of a Committee of eight from across Canada to finalize nominations to the General Council.

Baptisms

The sacrament of Holy Baptism will be observed on Mother's Day, May 8th in St. Paul's. Parents who wish their children to be baptized please communicate their wish at an early date.

Banns

The Banne were published on Sunday last of the forthcoming wedding of Joan Myrtle Green, of Stirling, and Robert Montgomery Barlow, of Belleville, on Saturday, May 7th at St. Paul's.

Festival

The Stirling Festival of Music will be held on Monday and Tuesday, May 20th and 21st. Interested persons should get in touch with the Secretary Mrs. Walter Elliott, 48 Front Street.

The Unclothed

This is the last week for the reception of used clothing for the unclothed. Will those friends who have articles they would like to be forwarded please send them in at once for shipping.

Easter Gifts

The special Easter Gift amounted to some \$315.00. This, with the weekly offering reached the target almost of \$500.00. Targets, like apples, should always be a bit beyond our grasp, but we must not let that fact prevent our getting the apple.

Fishing

Some people seem surprised when a minister betrays a little knowledge about fishing. I don't know why they should be, since he is always doing it! Sunday's sermon suggested that there is some analogy between failure in fishing and failure in living — indeed, there is often a definite connection — but while we are getting accustomed to the idea of the "trade in" for old cars, leaky canoes and fishing tackle, I have only heard to date of two men who have enquired the "trade-in value of their wives." On the basis of failure, if such should develop, there might well be a bigger trading in from the opposite direction. It would be really funny, and tragic, if because of our failures our wives and husbands took advantage of such a market. But thank goodness, we still believe that there is always a chance to try again, and we are glad because we have all failed, though few of us are failures.

Candidate To Preach

Paul Packman, our candidate for the ministry will preach on Sunday next prior to his leaving for Toronto where he is to be engaged on church survey work during the summer for the Home Mission Board.

Favourable Dessert

Here's the perfect four-season dessert! — A Lemon-Cocoanut Crunch Bread Pudding. No matter the day, no matter the weather, here's the answer to your search for an easily made, economical, good tasting family favourite.

Lemon-Cocoanut**Crunch Bread Pudding**

1½ tablespoons cornstarch
½ cup granulated sugar
½ teaspoon salt
1 cup cold water
2 eggs, beaten
1-3 cup lemon juice
½ teaspoon vanilla extract
3 cups soft enriched bread crumbs
1-3 cup brown sugar
1-3 cup shredded cocoanut
3 cup melted butter or margarine

Gradually add cornstarch mixture to beaten eggs. Return to top of double boiler and cook, over hot water, for 5 minutes. Stir constantly. Remove from heat and add lemon juice and vanilla extract. Pour lemon mixture into a buttered casserole. Sprinkle bread crumbs over top. Combine the brown sugar, cocoanut and melted butter. Spread brown sugar mixture over crumbs. Bake in moderate oven (350 deg. F.) for 30 minutes.

**Extra Space
For Post Office
At Frankford**

With a view to providing more adequate accommodation for the Post Office at Frankford, an agreement has been entered into with S. H. Plevak, of Frankford, and the Crown, for the lease of 320 square feet of space on the ground floor and 900 square feet of space in the basement of a two-storey brick and stone building now under construction on Mill St.

St. Paul's Baby Band

The monthly meeting of St. Paul's Baby Band was held in the Sunday School room at 3:00 p.m. on April 18th with 24 children and 7 mothers present the meeting opened with the singing of children's hymns.

Marjorie Eva Ketcheson helped to lead the children in a game, "Our World Friends' Circle," followed by a march with each child handing in a gift to the Women's Missionary Bale. Mrs. Grant Stapley led in an offertory prayer from the booklet, "Prayers for Young Children," made available by the Women's Missionary Auxiliary. The Auxiliary also bought a book, "When Children Ask," which will be circulated among the mothers of the Baby Band. Lyle Ketcheson took up the offering. Mrs. Roy Tucker acted as Secretary-Treasurer.

The story of Peter, a miner's son from Cape Breton Island, was told by Mrs. Wilkins. Then the children, assisted by the mothers, made booklets from used Sunday School pictures. These will be sent to children in Mission stations.

After lunching on chocolate Easter bunnies, the children sang, "Now Baby Band Is Over."

River Valley W.M.A.

Mrs. Ed. Heasman and Mrs. Ina Free were co-hostesses to the River Valley Woman's Missionary Auxiliary on Tuesday, April 19th, with 10 members and several children present. The President being absent, the 1st Vice President, Mrs. Gerald Brooks was in charge of the meeting.

The opening hymn was "There is a Green Hill Far Away."

There were 7 hospital calls, 18 home calls reported and one card sent. It was decided to send a bale and would members please have their parcels of clothing handed in as soon as possible. Money contributions would be welcomed to help with shipping charges. A shower of birthday cards to Mrs. Beatty, a patient in Kingston hospital, was suggested. It was also decided to remember Mrs. Lansing, who is convalescing from an injury, with a gift. The next meeting will be held at the home of Mrs. Ernest Carr with Mrs. Philip Conley the program convener and the lunch committee to be Miss Flossie Rosebush and Mrs. R. Utman.

Mrs. Roy Bush was in charge of the worship service and program. Quiet music, "The Old Rugged Cross," was played by Mrs. Philip Conley and the hymn, "Christ the Lord is Risen Today," was sung, followed by the Scripture Lesson, "The Easter Story."

read by Mrs. John Kane. Mrs. Roy Bush offered prayer.

Mrs. Ed. Heasman gave a reading, "East Meditation." The hymn, "When I Survey the Wondrous Cross," was sung. Mrs. Robt. Philip gave a reading, "Rejoice." A paper on "The Meaning of Easter," was given by Mrs. Roy Bush. Mrs. George Heasman rendered a solo, "Alone." A review of the Belleville Presbyterian was given by Mrs. Roy Bush. Those attending Belleville Presbyterian on March 24th from River Valley were Mrs. Roy Bush, Mrs. Gerald Brooks, Mrs. Ross Holland and Mrs. George Heasman. The meeting closed with the benediction.

Mrs. Robt. Philip expressed thanks on behalf of all present, to the hostesses for the use of their home, to the program convener and to the lunch committee.

**Eggleton W.M.S.
And W.A.**

The April meeting of Eggleton W.M.S. and W.A. was held Thursday afternoon, April 14th at the home of Mrs. William McMullen with fifteen ladies in attendance. The President, Mrs. Maurice Clancy, presided over a programme, which had been prepared by Mrs. Harry Clarke and opened the meeting with the hymn, "Beneath the Cross of Jesus."

Mrs. Clarence Fitchett read for the Scripture Lesson "The Easter Story of the Risen Lord," and also gave the meditation on the lesson. Mrs. Bruce Stapley read an Easter prayer.

The thank-offering envelopes were handed in. A reading, "The Third Day," was given by Mrs. Warren Harlow. A piano solo by Mrs. Bruce Stapley was very much enjoyed. A second reading "Easter in Egypt," was read by Mrs. Bert Reid.

The W.A. President, Mrs. William McMullen, then took charge of the business period. Mrs. Bruce Stapley offered her home for the May meeting with Mrs. Warren Harlow to prepare the programme. The members of the W.A. are to pay their fees at the May meeting. The members decided to meet at the school house on May 23rd for a pot luck dinner and during the afternoon will quilt two quilts for the Missionary bale. A letter was read stating our Missionary prayer for this years would be Miss Greta L. Gould, R.N., of Formosa.

Mrs. Harry Clarke presented the chapter from the study book, "Growth of the Indian Church." The President thanked Mrs. McMullen for opening her home, Mrs. Clarke for preparing the programme and all who had taken part on the programme.

Bonarlaw**St. Mark's W.A.**

The April meeting of St. Mark's W.A. was held on Thursday, April 14th at 2:30 p.m. at the home of the President, Mrs. Dave Wellman, with a good attendance.

The meeting opened with the singing of a hymn and prayers. Mrs. Geo. Mumby reported a substantial bank balance. Mrs. Heath, Dorcas Secretary, reported her work and it was decided to quilt the quilt for the bale next week. Mrs. Wellman was asked to book another sale at Hoard's Station.

Mrs. George Mumby and Mrs. Gertie Campney were appointed as sick and visiting committee. Mrs. Campney gave the last chapter of the study book which was very interesting. Canon J. M. Brownlie closed the meeting with prayer. The hostess served lunch.

**Honoured Prior
To Departure**

On Wednesday evening of last week a number of neighbours and friends gathered at the home of Mr. and Mrs. Alex McFaul to honour them before their departure to their new home at Keene.

Mr. W. J. Barlow called the McFaul family to a seat of honour and asked Mrs. Reta Spry to read an appropriate address. The presentation of a beautiful tri-light, an occasional chair and a silver dish was made by Donald Reid and Clinton Robbins.

Mr. and Mrs. McFaul thanked their friends for the lovely gifts and invited all to visit them in their new home at Keene.

Mrs. Reta Spry in her remarks said she would miss them very much as they had always been such close friends especially in the great work of the Spry Settlement Sunday School, Mrs. McFaul being one of the teachers and her departure will be greatly missed.

Mr. James Spry, Deputy Reeve of Rawdon Township, also spoke highly of them as great neighbours and expressed the loss of them in the community.

Lunch was served by the ladies and all joined in singing, "For they are jolly good fellows."

St. Mark's Supper

On Friday evening, April 18th, a supper was served in St. Mark's Parish Hall for the Sunday School pupils, parents, W.A. members, Canon and Mrs. J. M. Brownlie, Warden and Mrs. Ralph Andrews, Secretary of the Sunday School Deanship Association and Mr. W. J. Cottrell, of Marmora.

Immediately after the supper the following program was enjoyed with Canon J. M. Brownlie as chairman,

who welcomed the guests. Mrs. Wellman, Supt. of the Sunday School, introduced Mr. Ralph Andrews, and thanked all for coming to the supper and helping with the programme.

Shirley Burkitt rendered a piano solo, followed by a duet by Marion Mathews and Sharon Burkitt; solo, "The Lord is Counting on You," by Linda Wellman; film, "The Symbols," shown by Ralph Andrews; duet,

"Danny Boy," by Linda Wellman and Canon J. M. Brownlie. Another film on Samuel, in colour was of great interest to the audience. Mr. Cottrell, of Marmora, gave a short address on the value of the Sunday School and the encouragement needed to the teachers in their work. The Sunday School of today is the Church of tomorrow. The meeting closed with the National Anthem.

In Memoriam

TAYLOR — In loving memory of a very dear wife and mother, Mrs. George Taylor, of Frankford, who passed away one year ago, May 1st, 1954.

God knew that she was suffering

That the hills were hard to climb,

So he closed her weary eye lids

And whispered "Peace be thine."

Away in the beautiful hills of God,

By the valley of rest so fair,

Sometime, some day we know not when,

We will meet our loved one there.

—Very sadly missed by husband

George Taylor and family. 20-1p

Stirling W.I. Euchre Party

Stirling Women's Institute held a euchre party last Thursday in the Community Hall. Ten tables participated with visitors present from Springbrook, Bonarlaw, Belleville and River Valley.

Mrs. Molly Green won the first prize for the ladies while George Sarles was high gentleman. Mrs. S. Chisholm was second for the ladies and Mrs. L. Spry (playing as a gentleman) for the gentlemen.

A draw on the quilt, donated by Mrs. E. Foster, was won by Mrs.ileen Wellman, of Bonarlaw.

A lovely lunch of cake, sandwiches and cheese was served.

NEWS FOR THE BUSY FARMER

CEREAL VARIETIES
FOR ONTARIO

It has recently been estimated that 92 per cent of the oat crop, 70 per cent of the barley crop and 77 per cent of the winter wheat crop in Ontario are produced from varieties introduced within the last ten years. With the present increase in cereal diseases, particularly cereal rusts it is now necessary to revise the list of these recommended varieties in order to provide the farmer with more adequate information. This is necessary in order that he may select and grow suitable varieties with sufficient disease resistance.

Based on the results of nine years' testing on Illustration Stations in eastern and northern Ontario, the following cereal varieties are recommended for 1955:

Oats

1. Rodney — a medium-late variety of good straw strength yielding ability, kernel type and resistant to most races of rust.
2. Abegweit — A mid-season variety, later than Beaver but generally higher yielding. Adapted to areas where Beaver has been satisfactory. It is semi-resistant to rust.

3. Lanark — Recommended as an early variety with considerable rust resistance.

Other varieties that are worth mention:

1. Beaver — Medium early variety with semi-resist resistance. It has medium strength straw and good quality grain.

2. Clinton — An early variety with strong straw, grain is yellow, fair resistance to rust.

3. Simcoe — A new early variety with resistance to the rust races that damage Clinton.

Barley

1. Montcalm — A smooth awned malting variety with satisfactory yielding ability.

Other varieties that are worthy of mention:

1. Brant — A high yielding smooth awned mildew resistant feed barley.

2. Fort — A smooth awned, strong strawed feed barley.

3. Husky — A smooth awned, strong strawed feed barley.

Spring Wheat

1. Cascade — A fair yielding white kernelled variety, produces a fair household flour.

2. Acadia — A fair yielding variety, produces fair quality flour.

Fall Wheat

1. Rideau — A fair yielding feed wheat.

WEED OF THE WEEK

"KNOW WHAT YOU SOW"

The "Weed of the Week" at seeding time isn't the weed which is blossoming or shedding seed on fields, or roadsides, or clogging the combine, or getting ahead of an expensive pasture mixture says the Field Crops Branch, Ontario Department of Agriculture.

It is the weed, or variety of weeds, which is being drilled into well worked, fertilized seed beds, along with the grain, grass, and clovers. This is the starting point of the most of the weeds which compete with new seedings and grain crops for plant food and moisture, add to harvesting and threshing troubles, and contribute to the problem of grain heating in storage.

The term "Seed" correctly used, can only apply to a product which conforms to definite standards of purity and germination. For instance No. 1 Seed grain must not contain any prohibited or primary noxious weed seeds, not more than one secondary noxious weed seed and a total weed seed content of not more than twenty-five per pound. The germination must be not lower than 85 per cent. A No. 3 seed may contain as many as three primary, fifteen secondary, and a total of one hundred weed seeds per pound, and germination can be as low as 65 per cent.

In the case of a No. 3 seed oats carrying maximum weed seed content for that grade, sowed at two bushels per acre, a total of sixty-eight hundred weed seeds per acre would be sown. This would give a nice stand of four weed plants in three square yards. But almost one-quarter of all the grain samples collected in seed drill surveys are classed as rejected because of higher weed seed content than is allowed in No. 3 seed. With a maximum of one hundred weed seeds per pound allowed in No. 3 seed, one sample in the survey contained fifty-six hundred.

The situation in grass and clover seeds is even worse. A poor No. 3 seed in these crops allows one hundred weed seeds per ounce. This quality is sufficient to give a crop of ten weed plants per square yard at a very nominal seeding rate of ten pounds per acre. But again, twenty-three per cent of the samples in the seed drill survey were classed rejected because of weed seed content greater than one hundred per ounce, with the most outstanding example containing twenty-eight hundred per ounce.

Weed contaminated grain, grass,

and clover used as seed, creates a situation which cannot be effectively handled by machinery, weed killers, or any other means. The situation could largely be prevented by efficient seed cleaning. Over 75 per cent of the samples processed by seed cleaning plants were of No. 1 seed quality. The use of Registered grades of seed is assurance of highest standards of purity of variety freedom from disease, and freedom from weeds. Registered No. 1 oats allows a total of only three weed seeds per pound; No. 1 seed oats allows twenty-five weed seeds per pound.

Too many weeds go into the rich fertile soil through seed drills.

The sensible place to start weed control is in the seed drill. "Know What You Sow."

IRRIGATED TOMATOES

At the Horticultural Sub-Station, Smithfield, Ont., tomatoes of the TO-24 variety, in 1954, produced 25.5 tons per acre on irrigated land, as compared with only 7.9 tons on unirrigated land — only one year's results but indicating further tests would be worth while.

CUTTING FARM MACHINERY COSTS

Idle tractors on the farm do not have to be fed but there is a close relationship between the number of hours a tractor is used during the year and the cost per hour of use.

In a study of tractor costs on 124 one-tractor farms — 83 in Ontario and 41 in Quebec, the Economics Division, Department of Agriculture, Ottawa, found the cost per hour of tractor use varied from 83 cents when used 694 hours per year, to \$2.14 when used only 119 hours. Similar differences were found for many of the tractor operated machines such as ploughs, seed drills, combines, forage harvesters and hay balers.

Cost per acre for most farm operations on the 124 farms studied was less where tractors were used than with horses, even with the same size implements. Ploughing with a 2-furrow plough and 3 horses, an average of 34 acres per year, cost \$9.42 per acre. With a 2-furrow, two-plough tractor, ploughing an average of 45 acres per year, the cost was \$3.02 per acre.

Mowing hay the average horse drawn mower on the Ontario farms cuts 31 acres at a cost of \$2.58 per acre. With a tractor, mowing on the average 54 acres per year, the cost was \$1.64 per acre. On the Quebec farms, horse mowers cut an average of 40 acres at \$2.42 per acre and the tractors 77 acres at \$1.18 per acre. These records indicate that on small farms a definite saving in machinery costs can be made by exchanging work with neighbours. Where one farmer owns a combine, another a forage harvester, perhaps another a hay baler, by exchanging work each machine can be used double the number of hours. It can be done on a basis of exchanging work or by charging regular custom rates for each machine.

This information and details on the operation of other farm machines is contained in publication 921, Farm Mechanization in Ontario and Quebec, prepared by the Economics Division, and obtainable on request from Information Service, Department of Agriculture, Ottawa.

Be A Lamb -- But Not About Your Food

Would you be a lamb — just to play follow the leader? "Of course not!" you reply, and yet you may permit your eating habits to follow a pattern set by the talk-of-the day.

Conversations over Canadian dinner tables frequently turn to calories. Too often, good foods are rejected solely on the basis of hear-say reports of their reported calorie count. At other times, the estimation of calories is mere guesswork. These presumptions cause some essential foods to be called "high calorie" or "high energy" and to be condemned mistakenly as fattening.

Foods which supply protein, minerals and vitamins are more than mere energy foods, despite their calorie content. Only foods which are primarily sources of calories (like sugars and some fats) may be classified as "high calorie."

One does not consider milk a high calorie food, even though one glass or eight ounces of milk furnishes 150 calories. About one-fourth of the solids in milk is protein. In addition milk is an excellent source of calcium and riboflavin. Likewise, one should not think of bread as a high calorie food just because one slice or one ounce of enriched white bread furnishes 75 calories. Enriched white bread provides as well as the minerals, calcium and iron, and the three B vitamins — thiamine, riboflavin and niacin.

It is revealing to learn that different types of breads vary little, calorie-wise. Enriched bread, whole wheat, rye and various specialty breads furnish approximately the same number of calories, ounce for ounce.

Daily selection of foods should be made on as functional a basis as are any of the other choices in modern living. This thought applies to those on a normal diet as well as to those concerned with reducing their daily caloric intake. Canada's Food Rules provide the most reliable guide to normal healthful eating. When planning reduced calorie meals the amounts of foods which furnish little more than calories should be curtailed more drastically than amounts of foods like milk, enriched or whole wheat bread, eggs and meat, which supply significant amounts of many necessary nutrients.

You can be a lamb about some things — but not about your food!

COBOURG ARRIVAL BELIEVED LARGEST

Believed to be the biggest baby ever born in Cobourg General Hospital, a 13-pound, four-ounce boy was born Monday to Mr. and Mrs. Harry Sloboda, new arrivals to Cobourg. The couple had been residing previously at Marmora. The father is employed at a local hotel and is six-feet-two-inches in height. Name of the new arrival, which is their first born, is Harry Andrew Michael. The mother and babe are doing fine.
